(Signed) EDWARD M. BURKE,

The proposed amendatory ordinance transmitted with the foregoing committee report reads as follows:

Whereas, The United States Equal Employment Opportunity Commission guidelines for employment selection have undergone extensive revision in recent years and as a result have required a diversion of personnel in the Department of Personnel in order to carry out the difficult and time-consuming operations of test validation; and

Whereas, Development of new testing devices for entry positions and promotion within the Police and Fire Departments has taken additional time for the staff of the Department of Personnel; and

Whereas, Extensive reorganization of many departments of the City government recently has made City personnel needs uncertain; and

Whereas, The manpower demands upon the Department of Personnel together with the planning delays occasioned by extensive reorganization have made it impossible for the Department of Personnel to prepare all examinations necessary for the elimination of provisional appointments and it is therefore necessary that the time be extended for ending successive provisional appointments; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Municipal Code of Chicago, Chapter 25.1, Section 25.15(8), is hereby amended by deleting therefrom certain language, as contained in brackets below, and by adding certain language in Italics below, as follows:

25.15(8). For emergency employment for not more than 90 days with the consent of the Director and for provisional employment when there is no appropriate eligible list available. The following are said ordinances as passed (the Italic heading in each case not being a part of the ordinance):

Series A—$25,000,000 of General Obligation School Funding Notes

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) The City is a "home rule unit" as that term is defined in Section 6 of Article VII of the 1970 Constitution of the State of Illinois, the City having a population in excess of 25,000 and having not elected by referendum not to be such a home rule unit. Pursuant to the provisions of Section 6(a) of Article VII, the City may exercise any power and perform any function pertaining to its government and affairs;

(b) The existence of an operating system of public schools within the City is an essential element of its viability as a metropolitan center, its vitality as a commercial and industrial center and its attractiveness as a suitable place of residence for its citizens, and the maintenance of a system of public schools in the City is necessarily a matter of direct importance and relation to the government and affairs of the City;

(c) A preliminary plan has been prepared by various parties having an interest in the continued vitality of the City and the maintenance of the public school system existing in the City, including the City itself, the State of Illinois, certain lending institutions in the City, labor unions and others, by which to enable the Board of Education of the City of Chicago (the "Board"), which constitutes the school district established by law to provide a system of public schools in the City, to achieve a sound financial base and financial integrity and to regain access to the public markets for the financing of its programs and activities. A constituent element of such plan is the making of a short-term loan by the City to the Board by means of the purchase by the City of $50,000,000 of State Aid Anticipation Certificates issued by the Board (an additional $50,000,000 of State Aid Anticipation Certificates on a parity with such certificates having been issued by the Board to the Treasurer of the State of Illinois upon the approval of the Governor of the State of Illinois);

(d) It is necessary and in the best interests of the City that the City, pursuant to its powers as a home rule unit and pursuant to the intergovernmental cooperation clause of the Illinois Constitution, purchase from the Board $25,000,000 aggregate principal amount of the Board's State Aid Anticipation Certificates (the "Certificates")

on the terms set forth in the resolution of the Board, adopted January 6, 1980 (the "Resolution"), providing for the issuance of the Certificates, which resolution is attached to this Ordinance as Exhibit "A" and is incorporated by reference;

(e) The City does not have sufficient funds on hand or available from any other source to pay the cost of purchasing such Certificates from the Board, and it is necessary, therefore, that the City borrow $25,000,000 and in evidence thereof issue $25,000,000 aggregate principal amount of its general obligation notes;

(f) The City has received or expects to receive offers to purchase an aggregate of $25,000,000 of its general obligation notes at a price equal to their principal amounts from various banks listed in Section 4 of this Ordinance (the "Banks") in the respective amounts set forth in Section 4 of this Ordinance; and

(g) The City is authorized to issue $25,000,000 aggregate principal amount general obligation notes as provided in this Ordinance pursuant to its home rule powers and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 2. The City is authorized to borrow the sum of $25,000,000 in order to provide funds to purchase from the Board $25,000,000 aggregate principal amount of Certificates on substantially the terms set forth in the Resolution. In evidence of such borrowing, general obligation notes of the City in the aggregate principal amount of $25,000,000 (the "Notes") shall be issued as hereinafter provided. (The borrowing of an additional $25,000,000 from parties other than the Banks, the issuance of general obligation notes of the City in evidence of that borrowing and the use of the proceeds of that borrowing to purchase from the Board an additional $25,000,000 aggregate principal amount of State Aid Anticipation Certificates of the Board are to be authorized by separate ordinances).

Each Note shall be designated "General Obligation School Funding Note, Series A of 1980", shall be dated its date of issuance, and shall bear interest from its date until paid on its unpaid principal amount at the rate of 10.675 percent per year of the principal amount outstanding, computed for actual days elapsed on the basis of a 360-day year. The Notes shall mature and become due on July 31, 1980. The Notes are prepayable as provided in Section 5 of this Ordinance. The initial issue of the Notes shall be numbered and be in the denominations as provided in Section 4 of this Ordinance. Each such Note shall be payable as to principal and interest to the purchaser of such Note or its registered assigns (the "holder" or "registered holder"). Pursuant to Section 8 of this Ordinance each initial Note may be exchanged for an equal principal amount of Notes in different denominations, and numbers and payable to different persons or their assigns. Such persons or their registered assigns are also referred to as "holders" or "registered holders" of the Notes.

Interest on the Notes shall be payable upon any prepayment (to the extent accrued on the principal amount prepaid) and at maturity. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the City Treasurer of the City or, as to each Note, at such other place as shall be specified in writing to the City by the registered holder of the Note. The City Treasurer shall advise in writing the initial holder of each Note of the name and address of any subsequent registered holder of such Note (or any Notes substituted therefore pursuant to Section 8) and of any place other than the office of the City Treasurer where such Note (or any substitute Notes) is payable. The City Treasurer shall act as Registrar of the Notes.

Each Note shall be executed by the manual or facsimile signature of the Mayor of the City, attested by the manual signature of the City Clerk of the City or of any Deputy City Clerk and shall have the corporate seal of the City affixed, impressed or printed thereon.

The Notes shall be issued pursuant to the powers of the City as a home rule unit and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 3. The Notes shall constitute a direct general obligation and debt of the City, and the full faith and credit of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Notes in accordance with their terms.

As security for the payment or prepayment of principal on the initial Note issued to each holder (and any Notes substituted therefore as set forth in Section 8 of this Ordinance) the City assigns and grants a lien on and security interest in, prior to all other parties having claims of any kind in tort, contract or otherwise against the City, a Certificate with the same principal amount as such Note and all amounts which are paid or payable to the City as payment or prepayment of principal and interest on such Certificate. Section 4 of this Ordinance lists the particular Certificates which are assigned to the holders of the particular Notes. All payments or prepayments of principal of and interest on each Certificate shall be applied to payment or prepayment of the Note to which it is assigned as long as such Note remains outstanding and unpaid. The City directs the Board, the Treasurer and Comptroller of the State of Illinois and other financial officers of the State, including the Illinois Superintendent of Public Instruction and the Cook County Regional Superintendent of Schools to make all payments or prepayments under the Certificates, so assigned, and to make all payments of all amounts of state aid assigned as security for the Certificates so assigned, directly to the holders of the Notes in respect of which the various Certificates are assigned until the Notes are paid in full as to principal and interest.

As provided in Section 8 of this Ordinance, the initial Notes may be exchanged for Notes in different denominations and of different numbers and payable to different persons or their registered assigns. Should any of such initial Notes be so exchanged, then the initial purchaser of such Note shall hold the Certificates assigned as security for such Note for the benefit of each holder of such Notes so issued in exchange for such Note and shall act as agent for all holders of such Notes so issued in exchange for such Note to provide for application of all payments or prepayments of the Certificates to the payment of the Notes so issued in exchange for that Note. No further assignment of Certificates by holders of Notes shall be made or be effective except to persons who also become holders of the Notes to which the Certificates relate. The City Treasurer is authorized and directed to execute assignments of the Certificates to the initial holders of the Notes as provided in this paragraph. The assignment of Certificates and payments of Certificates made in this Section is effective without the necessity of any further filing, delivery or act. Upon the payment or prepayment in full of principal of and interest on any of the Notes the assignment of the Certificate relating to that Note shall end and the holder of that Note shall immediately reassign the Certificate to the City.

The assignment of Certificates and payments or prepayments of Certificates shall be as security and as a source of payment of the Notes but shall not by itself constitute payment of the Notes and the assignment shall not discharge the general obligation of the City to cause the principal and interest on the Notes to be paid in full as it becomes due.

In addition to the security as provided in the prior paragraphs, the Notes are payable from any taxes levied and collected by the City in accordance with Section 7 of this Ordinance and from any revenues, receipts, income, assets or funds of the City which may be legally used for the payment of the Notes, such revenues to exclude, however, any revenues received from the operation of utilities or from special services and any other revenues which are required by law to be segregated from general revenues of the City.

SECTION 4. The offers received or to be received from the Banks listed in this Section to purchase Notes at a price of their principal amounts in the denominations and in the numbers shown opposite their names below, are or shall be accepted, and the proper officials of the City are authorized and directed to take all action necessary or advisable to execute such acceptances on behalf of the City and to carry out the issuance and sale of the Notes as contemplated in this Ordinance.

The Notes shall be numbered, shall be initially payable to the persons, shall be in the denominations and there shall be assigned to the initial issue of Notes the Certificates in the numbers and principal amounts as follows:

Note Number	*Note Denomination*	*Name of Purchaser and Holder of Note*	*Certificate Assigned—Number*	*Certificate Assigned—Principal Amount*
1	$			
2	$			
3	$		See List Attached As Exhibit "B"	
4	$			
5	$			
6	$

SECTION 5. The City may prepay any Note, in full but not in part, from any funds at any time at a price equal to its principal amount plus accrued interest to the date of prepayment. No such prepayments shall be made on any other notes issued by the City and secured by any State Aid Anticipation Certificates issued by the Board unless the Notes are prepaid as contemplated by this Section 5.

In addition, the City shall prepay each Note, in whole or in part, at any time, from prepayments of the Certificate assigned to such Note as provided in Section 4 of this Ordinance, at a price equal to the principal amount being prepaid plus accrued interest on that principal amount.

Any prepayment may be made without notice.

A notation shall be made on the back of each Note by the holder thereof to evidence any partial prepayments of that Note. Each Note shall be considered paid or prepaid when paid or prepaid in accordance with the Note and this Ordinance, whether or not so marked on the Note.

SECTION 6. The Notes shall be in substantially the following form:

SECTION 7. The City covenants with the holders of the Notes, that so long as the Notes remain outstanding and unpaid as to either principal or interest:

(i) it shall cause the Notes to be paid in full as to principal and interest as they come due;

(ii) it will make no assignment of any of the Certificates except as provided in this Ordinance;

(iii) it will take all steps, make all directions and file all documents as may be necessary to cause there to be paid directly to the holders of the Notes the state school aid which is assigned under the Resolution for payment of the Certificates.

SECTION 8. At any time while any of the Notes is outstanding and unpaid as to either principal or interest, the holder of that Note may request the City to issue and deliver to such holder, and the City shall issue and deliver as promptly as practicable but in no event later than 10 days from the date of such request, in exchange for such Note, fully executed in the form provided in this Ordinance or in such registered or bearer form as the holder shall request, additional Notes equal in total principal amount to the principal amount of that Note. Such Notes issued in exchange for the initially issued Note shall be in such denominations (which shall be integral multiples of $5,000), shall be numbered and be payable to such persons (or their registered assigns) as the holder of the initially issued Note shall specify. Each Note so issued in exchange for an initially issued Note shall be a Note for purposes of this Ordinance. The initially issued Note shall then be considered cancelled and shall be destroyed by the City upon such exchange.

SECTION 9. This Ordinance shall constitute an appropriation of the proceeds of the sale of the Notes for the purpose of purchasing the Certificates as hereinabove provided.

This Ordinance shall also constitute an appropriation of (a) the amounts payable to the City as principal of and interest on the Certificates and (b) such general corporate funds of the City as are legally available and needed for the purpose, as determined by the City Comptroller and certified to the City Treasurer, for the purpose of making payment of the principal of and interest on the Notes as provided in this Ordinance. In the event there are not sufficient funds derived from payment or prepayment of the Certificates to make full payment of principal of and interest on the Notes when due, the City Comptroller shall certify to the City Treasurer the amount of such shortfall and designate which other funds of the City are legally available to pay principal and interest on the notes in full. Upon the written direction of the City Comptroller the City Treasurer shall apply such funds to the payment of the Notes. In the further event sufficient funds are not legally available for the payment in full of the principal of and interest on the Notes, the Mayor and City Council shall take such action as is necessary to pay in full the principal of and interest on the Notes when due, including the levy and collection of taxes which are collectible in 1981 which it is now or may in the future be authorized to impose, including without limitation, direct taxes upon all taxable property within the City without limit as to rate or amount. If such taxes collected in 1981 are not sufficient to pay in full the principal and interest on the Notes, the City shall be under a continuing obligation to levy additional taxes until such principal and interest is paid.

SECTION 10. After this ordinance becomes effective, the Notes shall be executed and delivered to the Treasurer of the City and be by him delivered to the purchasers thereof upon receipt of the purchase price therefor, which is the principal amount of each Note, and the proceeds received from the sale of the Notes shall immediately be deposited by the City Treasurer to the credit of the City and then applied to the purchase of the Certificates at a price of their principal amount.

SECTION 11. The City covenants with the holders of the Notes from time to time outstanding that it will not use or invest the proceeds of the sale of the Notes or any other funds of the City in any manner which would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated thereunder. The Mayor, City Treasurer and City Comptroller of the City or any of them are each authorized to make any representations and certifications they deem proper pertaining to the use of the proceeds of the sale of the Notes in order to establish that the Notes will not constitute arbitrage bonds as defined above.

SECTION 12. The Notes and this Ordinance shall constitute contracts severally between the City and the holders of Notes at all times while the Notes are outstanding and unpaid as to either principal or interest. The Mayor, City Treasurer and City Comptroller of the City are each authorized and directed to do all things necessary or advisable to implement the terms of this Ordinance and contract, in order to cause the Notes to be issued and delivered as provided in this Ordinance.

SECTION 13. All ordinances or resolutions of the City Council of the City or portions thereof in conflict with this Ordinance are repealed to the extent of such conflict.

SECTION 14. This Ordinance is passed by the City Council as an emergency measure, because it is urgent that this Ordinance become effective to permit the City to acquire the Certificates from the Board immediately after its passage. Therefore, this Ordinance shall be passed by the affirmative vote of at least two-thirds of the members of the City Council of the City now holding office. This Ordinance shall be in full force and effect immediately upon its passage as provided in this Section.

Series B—$15,000,000 of General Obligation School Funding Notes.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) The City is a "home rule unit" as that term is defined in Section 6 of Article VII of the 1970 Constitution of the State of Illinois, the City having a population in excess of 25,000 and having not elected by referendum not to be such a home rule unit. Pursuant to the provisions of Section 6(a) of Article VII, the City may exercise any power and perform any function pertaining to its government and affairs;

(b) The existence of an operating system of public schools within the City is an essential element of its viability as a metropolitan center, its vitality as a commercial and industrial center and its attractiveness as a suitable place of residence for its citizens, and the maintenance of a system of public schools in the City is necessarily a matter of direct importance and relation to the government and affairs of the City;

(c) A preliminary plan has been prepared by various parties having an interest in the continued vitality of the City and the maintenance of the public school system existing in the City, including the City itself, the State of Illinois, certain lending institutions in the City, labor unions and others, by which to enable the Board of Education of the City of Chicago (the "Board"), which constitutes the school district established by law to provide a system of public schools in the City, to achieve a sound financial base and financial integrity and to regain access to the public markets for the financing of its programs and activities. A constituent element of such plan is the making of a short-term loan by the City to the Board by means of the purchase by the City of $50,000,000 of State Aid Anticipation Certificates issued by the Board (an additional $50,000,000 of State Aid Anticipation Certificates on a parity with such certificates having been issued by the Board to the Treasurer of the State of Illinois upon the approval of the Governor of the State of Illinois);

(d) It is necessary and in the best interests of the City that the City, pursuant to its powers as a home rule unit and pursuant to the intergovernmental cooperation clause of Illinois Constitution, purchase from the Board $15,000,000 aggregate principal amount of the Board's State Aid Anticipation Certificates (the "Certificates") on the terms set forth in the resolution of the Board, adopted January 6, 1980 (the "Resolution"), providing for the issuance of the Certificates, which resolution is attached to this Ordinance as Exhibit "A" and is incorporated by reference;

(e) The City does not have sufficient funds on hand or available from any other source to pay the cost of purchasing such Certificates from the Board, and it is necessary, therefore, that the City borrow $15,000,000 and in evidence thereof issue $15,000,000 aggregate principal amount of its general obligation notes;

(f) The City has received or expects to receive an offer from the Chicago Police Pension Board to purchase an aggregate of $15,000,000 of its general obligation notes at a price equal to their principal amounts; and

(g) The City is authorized to issue $15,000,000 aggregate principal amount general obligation notes as provided in this Ordinance pursuant to its home rule powers and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 2. The City is authorized to borrow the sum of $15,000,000 in order to provide funds to purchase from the Board $15,000,000 aggregate principal amount of Certificates on substantially the terms set forth in the Resolution. In evidence of such borrowing, a general obligation note of the City in the principal amount of $15,000,000 (the "Note") shall be issued as hereinafter provided. (The borrowing of an additional $35,000,000 from parties other than the Chicago Police Pension Board, the issuance of general obligation notes of the City in evidence of that borrowing and the use of the proceeds of that borrowing to purchase from the Board an additional $35,000,000 aggregate principal amount of State Aid Anticipation Certificates of the Board are to be authorized by seperate ordinances.)

The Note shall be designated "General Obligation School Funding Note, Series B of 1980", shall be dated its date of issuance, and shall bear interest from its date until paid on its unpaid principal amount at the rate of 10.675 percent per year of the principal amount outstanding, computed for actual days elapsed on the basis of a 360-day year. The Note shall mature and become due on July 31, 1980. The Note is prepayable as provided in Section 5 of this Ordinance. The Note shall be numbered and be in the denominations as provided in Section 4 of this Ordinance. The Note shall be payable as to principal and interest to the purchaser of such Note or its registered assigns (the "holder" or "registered holder").

Interest on the Note shall be payable upon any prepayment (to the extent accrued on the principal amount prepaid) and at maturity. Both principal of and interest on the Note shall be payable in lawful money of the United States of America at the

office of the City Treasurer of the City or at such other place as shall be specified in writing to the City by the registered holder of the Note.

The Note shall be executed by the manual or facsimile signature of the Mayor of the City, attested by the manual signature of the City Clerk of the City or of any Deputy City Clerk and shall have the corporate seal of the City affixed, impressed or printed thereon.

The Note shall be issued pursuant to the powers of the City as a home rule unit and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 3. The Note shall constitute a direct general obligation and debt of the City, and the full faith and credit of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Note in accordance with their terms.

As security for the payment or prepayment of principal on the Note, the City assigns and grants a lien on and security interest in, prior to all other parties having claims of any kind in tort, contract or otherwise against the City, a Certificate with the same principal amount as the Note and all amounts which are paid or payable to the City as payment or prepayment of principal and interest on the Certificate. Section 4 of this Ordinance lists the particular Certificate which is assigned to the holder of the Note. All payments or prepayments of principal of and interest on the Certificate shall be applied to payment or prepayment of the Note to which it is assigned as long as such Note remains outstanding and unpaid. The City directs the Board, the Treasurer and Comptroller of the State of Illinois and other financial officers of the State, including the Illinois Superintendent of Public Instruction and the Cook County Regional Superintendent of Schools to make all payments or prepayments under the Certificate, so assigned, and to make all payments of all amounts of state aid assigned as security for the Certificate so assigned, directly to the holder of the Note until the Note is paid in full as to principal and interest.

No further assignment of the Certificate by the holder of the Note shall be made or be effective except to persons who also become holders of the Note to which the Certificate relates. The City Treasurer is authorized and directed to execute assignments of the Certificate to the initial holders of the Note as provided in this paragraph. The assignment of Certificates and payment of the Certificate made in this Section is effective without the necessity of any further filing, delivery or act. Upon the payment or prepayment in full of principal of and interest on the Note the assignment of the Certificate shall end and the holder of the Note shall immediately reassign the Certificate to the City.

The assignment of Certificates and payment or prepayments of Certificates shall be as security and as a source of payment of the Note but shall not by itself constitute payment of the Note and the assignment shall not discharge the general obligation of the City to cause the principal and interest Note to be paid in full as to as it comes due.

In addition to the security as provided in the prior paragraphs, the Note is payable from any taxes levied and collected by the City in accordance with Section 7 of this Ordinance and from any revenues, receipts, income, assets or funds of the City which may be legally used for the payment of the Note, such revenues to exclude, however, any revenues received from the operation of utilities or from special services and any other revenues which are required by law to be segregated from general revenues of the City.

SECTION 4. The offer received or to be received from the Chicago Police Pension Board listed in this Section to purchase the Note at a price of its principal amount is or shall be accepted, and the proper officials of the City are authorized and directed to take all action necessary or advisable to execute such acceptance on behalf of the City and to carry out the issuance and sale of the Note as contemplated in this Ordinance.

There shall be assigned to the Note the Certificate (Number 2).

SECTION 5. The City may prepay the Note, in full but not in part, from any funds at any time at a price equal to its principal amount plus accrued interest to the date of prepayment.

In addition, the City shall prepay the Note, in whole or in part, at any time, from prepayments of the Certificate at a price equal to the principal amount being prepaid plus accrued interest on that principal amount. No such prepayments shall be made on any other notes issued by the City and secured by any State Aid Anticipation Certificates issued by the Board under the Resolution unless the Note is prepaid as contemplated by this Section 5.

Any prepayment may be made without notice.

A notation shall be made on the back of each Note by the holder thereof to evidence any partial prepayments of that Note. Each Note shall be considered paid or prepaid when paid or prepaid in accordance with the Note and this Ordinance, whether or not so marked on the Note.

SECTION 6. The Notes shall be in substantially the following form:

(i) it shall cause to the Note to be paid in full as to principal and interest as it comes due;

(ii) it will make no assignment of the Certificate except as provided in this Ordinance;

(iii) it will take all steps, make all directions and file all documents as may be necessary to cause there to be paid directly to the holder of the Note the state school aid which is assigned under the Resolution for payment of the Certificates.

SECTION 8. This Ordinance shall constitute an appropriation of the proceeds of the sale of the Note for the purpose of purchasing the Certificate as hereinabove provided.

This Ordinance shall also constitute an appropriation of (a) the amounts payable to the City as principal of and interest on the Certificate and (b) such general corporate funds of the City as are legally available and needed for the purpose, as determined by the City Comptroller and certified to the City Treasurer, for the purpose of making payment of the principal of and interest on the Note as provided in this Ordinance. SECTION 10. The City covenants with the holder of the Note from time to time outstanding that it will not use or invest the proceeds of the sale of the Note or any other funds of the City in any manner which would cause the Note to be an "arbitrage bond" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated thereunder. The Mayor, City Treasurer and City Comptroller of the City or any of them are each authorized to make any representations and certifications they deem proper pertaining to the use of the proceeds of the sale of the Note in order to establish that the Note will not constitute an arbitrage bond as defined above.

SECTION 11. SECTION 1. It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) The City is a "home rule unit" as that term is defined in Section 6 of Article VII of the 1970 Constitution of the State of Illinois, the City having a population in excess of 25,000 and having not elected by referendum not to be such a home rule unit. Pursuant to the provisions of Section 6(a) of Article VII, the City may exercise any power and perform any function pertaining to its government and affairs;

(b) The existence of an operating system of public schools within the City is an essential element of its viability as a metropolitan center, its vitality as a commercial and industrial center and its attractiveness as a suitable place of residence for its citizens, and the maintenance of a system of public schools in the City is necessarily a matter of direct importance and relation to the government and affairs of the City;

(c) A preliminary plan has been prepared by various parties having an interest in the continued vitality of the City and the maintenance of the public school system existing in the City, including the City itself, the State of Illinois, certain lending institutions in the City, labor unions and others, by which to enable the Board of Education of the City of Chicago (the "Board"), which constitutes the school district established by law to provide a system of public schools in the City, to achieve a sound financial base and financial integrity and to regain access to the public markets for the financing of its programs and activities. (d) It is necessary and in the best interests of the City that the City, pursuant to its powers as a home rule unit and pursuant to the intergovernmental cooperation clause of Illinois Constitution, purchase from the Board $10,000,000 aggregate principal amount of the Board's State Aid Anticipation Certificates (the "Certificates") on the terms set forth in the resolution of the Board, adopted January 6, 1980 (the "Resolution"), providing for the issuance of the Certificates, which resolution is attached to this Ordinance as Exhibit "A" and is incorporated by reference;

(e) The City does not have sufficient funds on hand or available from any other source to pay the cost of purchasing such Certificates from the Board, and it is necessary, therefore, that the City borrow $10,000,000 and in evidence thereof issue $10,000,000 aggregate principal amount of its general obligation notes;

(f) The City has received or expects to receive offers to purchase an aggregate of $10,000,000 of its general obligation notes at a price equal to their principal amounts from various union organizations listed in Section 4 of this Ordinance (the "Unions") in the respective amounts set forth in Section 4 of this Ordinance; and

(g) The City is authorized to issue $10,000,000 aggregate principal amount general obligation notes as provided in this Ordinance pursuant to its home rule powers and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 2. The City is authorized to borrow the sum of $10,000,000 in order to provide funds to purchase from the Board $10,000,000 aggregate principal amount of Certificates on substantially the terms set forth in the Resolution. In evidence of such borrowing, general obligation notes of the City in the aggregate principal amount of $10,000,000 (the "Notes") shall be issued as hereinafter provided. (The borrowing of an additional $40,000,000 from parties other than the Unions, the issuance of general obligation notes of the City in evidence of that borrowing and the use of the proceeds of that borrowing to purchase from the Board an additional $40,000,000 aggregate principal amount of State Aid Anticipation Certificates of the Board are to be authorized by separate ordinances.)

Each Note shall be designated "General Obligation School Funding Note, Series C of 1980", shall be dated its date of issuance, and shall bear interest from its date until paid on its unpaid principal amount at the rate of 10.675 percent per year of the principal amount outstanding, computed for actual days elapsed on the basis of a 360-day year. The Notes shall mature and become due on July 31, 1980. The Notes are prepayable as provided in Section 5 of this Ordinance. The initial issue of the Notes shall be numbered and be in the denominations as provided in Section 4 of this Ordinance. Each such Note shall be payable as to principal and interest to the purchaser of such Note or its registered assigns (the "holder" or "registered holder").

Interest on the Notes shall be payable upon any prepayment (to the extent accured on the principal amount prepaid) and at maturity. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the City Treasurer of the City or as to each Note, at such other place as shall be specified in writing to the City by the registered holder of the Note. The City Treasurer shall advise the initial holder of each Note of the name and address of any subsequent registered holder of each Note and of any place other than the office of the City Treasurer where such Note is payable. The City Treasurer shall act as Registrar of the Notes.

Each Note shall be executed by the manual or facsimile signature of the Mayor of the City, attested by the manual signature of the City Clerk

of the City or of any Deputy City Clerk and shall have the corporate seal of the City affixed, impressed or printed thereon.

The Notes shall be issued pursuant to the powers of the City as a home rule unit and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 3. The Notes shall constitute a direct general obligation and debt of the City, and the full faith and credit of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Notes in accordance with their terms.

As security for the payment or prepayment of principal on the Note issued to each holder the City assigns and grants a lien on and security interest in, prior to all other parties having claims of any kind in tort, contract or otherwise against the City, a Certificate with the same principal amount as such Note and all amounts which are paid or payable to the City as payment or prepayment of principal and interest on such Certificate. Section 4 of this Ordinance lists the particular Certificates which are assigned to the holders of the particular Notes. All payments or prepayments of principal of and interest on each Certificate shall be applied to payment or prepayment of the Note to which it is assigned as long as such Note remains outstanding and unpaid. The City directs the Board, the Treasurer and Comptroller of the State of Illinois and other financial officers of the State, including the Illinois Superintendent of Public Instruction and Cook County Regional Superintendent of Schools to make all payments or prepayments under the Certificates, so assigned, and to make all payments of all amounts of state aid assigned as security for the Certificates so assigned, directly to the holders of the Notes in respect of which the various Certificates are assigned until the Notes are paid in full as to principal and interest. No further assignment of Certificates by holders of Notes shall be made or be effective except to persons who also become holders of the Notes to which the Certificates relate. The City Treasurer is authorized and directed to execute assignments of the Certificates to the initial holders of the Notes as provided in this paragraph. The assignment of Certificates and payments of Certificates made in this Section is effective without the necessity of any further filing, delivery or act. Upon the payment or prepayment in full of principal of and interest on any of the Notes the assignment of the Certificate relating to that Note shall end and the holder of that Note shall immediately reassign the Certificate to the City but the payments or prepayments made on it thereafter made shall remain assigned as security for payment of all remaining outstanding and unpaid Notes.

The assignment of Certificates and payments or prepayments of Certificates shall be as security and as a source of payment of the Notes but shall not by itself constitute payment of the Notes and the assignment shall not discharge the general obligation of the City to cause the principal and interest Notes to be paid in full as it comes due.

In addition to the security as provided in the prior paragraphs, the Notes are payable from any taxes levied and collected by the City in accordance with Section 7 of this Ordinance and from any revenues, receipts, income, assets or funds of the City which may be legally used for the payment of the Notes, such revenues to exclude, however, any revenues received from the operation of utilities or from special services and any other revenues which are required by law to be segregated from general revenues of the City.

SECTION 4. The offers received or to be received from the Unions listed in this Section to purchase Notes at a price of their principal amounts, in the denominations and in the numbers shown opposite their names below, are or shall be accepted, and the proper officials of the City are authorized and directed to take all action necessary or advisable to execute such acceptances on behalf of the City and to carry out the issuance and sale of the Notes as contemplated in this Ordinance.

The Notes shall be numbered, shall be initially payable to the persons, shall be in the denominations and there shall be assigned the Certificates in the numbers and principal amounts as follows:

SECTION 5. The City may prepay any Note, in full but not in part, from any funds at any time at a price equal to its principal amount plus accrued interest to the date of prepayment. No such prepayments shall be made on any other notes issued by the City and secured by any State Aid Anticipation Certificates issued by the Board unless the Notes are prepaid as contemplated by this Section 5.

In addition, the City shall prepay each Note, in whole or in part, at any time, from prepayments of the Certificate assigned to such Note as provided in Section 4 of this Ordinance, at a price equal to the principal amount being prepaid plus accrued interest on that principal amount.

This note is one of an authorized issue of notes entitled General Obligation School Funding Note, Series C of 1980, in the aggregate principal amount of $10,000,000, the proceeds of which are to be used for the purpose of purchasing an equivalent amount of State Aid Anticipation Certificates (the "Cer-

This Note is prepayable at the times and amounts, from the funds, and at the prices provided in the Ordinance. All payments or prepayments of this note shall be recorded by the registered holder of the note on the payment record set forth below on this note.

This note shall constitute a general obligation of and debt of the City, and the full faith and credit of the City are irrevocably pledged to the punctual payment of the principal of and interest on this note in accordance with its terms. SECTION 7. The City covenants with the holders of the Notes, that so long as the Notes remain outstanding and unpaid as to either principal or interest:

(i) it shall cause the Notes to be paid in full as to principal and interest as they come due;

(ii) it will make no assignment of the Certificate except as provided in this Ordinance;

(iii) it will take all steps, make all directions and file all documents as may be necessary to cause them to be paid directly to the holders of the Notes the state school aid which is assigned under the Resolution for payment of the Certificates.

SECTION 8. This Ordinance shall constitute an appropriation of the proceeds of the sale of the Notes for the purpose of purchasing the Certificates as hereinabove provided.

This Ordinance shall also constitute an appropriation of (a) the amounts payable to the City as principal of and interest on the Certificates and (b) such general corporate funds of the City as are legally available and needed for the purpose, as determined by the City Comptroller and certified to the City Treasurer, for the purpose of making payment of the principal of and interest on the Notes as provided in this Ordinance. In the event there are not sufficient funds derived from payment or prepayment of the Certificates to make full payment of principal of and interest on the Notes when due, the City Comptroller shall certify to the City Treasurer the amount of such shortfall and shall designate which other funds of the City are legally available to pay principal and interest on the Notes in full. Upon the written direction of the City Comptroller the City Treasurer shall apply such funds to the payment of the Notes. In the further event sufficient funds are not legally available for the payment in full of the principal of and interest on the Notes, the Mayor and City Council shall take such action as is necessary to pay in full the principal of and interest on the Notes when due, including the levy and collection of taxes which are collectible in 1981 which it is now or may in the future be authorized to impose, including without limitation, direct taxes upon all taxable property within the City without limit as to rate or amount. If such taxes collected in 1981 are not sufficient to pay in full the principal and interest on the Notes, the City shall be under a continuing obligation to levy additional taxes until such principal and interest is paid.

SECTION 9. After this Ordinance becomes effective, the Notes shall be executed and delivered to the Treasurer of the City and be by him delivered to the purchasers thereof upon receipt of the purchase price therefor, which is the principal amount of each Note, and the proceeds received from the sale of the Notes shall immediately be deposited by the City Treasurer to the credit of the City and then applied to the purchase of the Certificates at a price of their principal amount.

SECTION 10. The City covenants with the holders of the Notes from time to time outstanding that it will not use or invest the proceeds of the sale of the Notes or any other funds of the City in any manner which would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated thereunder. The Mayor, City Treasurer and City Comptroller of the City or any of them are each authorized to make any representations and certifications they deem proper pertaining to the use of the proceeds of the sale of the Notes in order to establish that the Notes will not constitute arbitrage bonds as defined above.

SECTION 11. The Notes and this Ordinance shall constitute contracts severally between the City and the holders of Notes at all times while the Notes are outstanding and unpaid as to either principal or interest. The Mayor, City Treasurer and City Comptroller of the City are each authorized and directed to do all things necessary or advisable to implement the terms of this Ordinance and contract, in order to cause the Notes to be issued and delivered as provided in this Ordinance.

SECTION 12. All ordinances or resolutions of the City Council of the City or portions thereof in conflict with this Ordinance are repealed to the extent of such conflict.

SECTION 14. This Ordinance is passed by the City Council as an emergency measure, because it is urgent that this Ordinance become effective to permit the City to acquire the Certificates from the Board immediately after its passage. Therefore, this Ordinance shall be passed by the affirmative vote of at least two-thirds of the members of the City Council of the City now holding office. This Ordinance shall be in full force and effect immediately upon its passage as provided in this Section.

Honorable Jane M. Byrne, Mayor, on behalf of herself and all the Members of the City Council presented the following proposed resolution:

WHEREAS, The people of this community, and particularly the many thousands of men and women citizens of organized labor, have been saddened by the death on January 10, of George Meany; and

WHEREAS, George Meany was conceded to be the most potent figure in the American Labor movement at the time of his retirement, last November, after twenty-five years as president of the AFL-CIO organization of 14,000 members; and

WHEREAS, It was George Meany who united the American Federation of Labor and the Congress of Industrial Organization in 1955, and who was chiefly responsible for holding the combined forces together for the quarter century of his leadership; and

WHEREAS, Although he was 85 years old at the time of his death, and had been a worker and identified with the labor movement since the age of 16, he was vigorous, articulate, and clear-minded to the last—the idol of the forty million Americans of unionized families—a spokesman who left no doubt as to where he stood on issues; and

WHEREAS, He was a staunch champion of the dignity of the common man, of social welfare legislation, and consistently opposed racial discrimination; and

WHEREAS, He was many times a visitor to Chicago, and had a wide acquaintance here among the people of both management and labor; now, therefore,

Be It Resolved, By Mayor Jane M. Byrne and Members of the City Council in meeting assembled this 16th day of January, that we do hereby express sorrow at the passing of a great American labor leader and extend our condolences to the bereaved members of his immediate family and to his larger family—the A.F.L. - C.I.O. organization.

Chapter 7, Section 7-66 of Municipal Code of Chicago Amended Concerning Levy of Taxes for Judgment Tax Fund.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith:

WHEREAS, Section 6(a) of Article VII of the 1970 Constitution of Illinois provides that "any municipality which has a population of more than 25,000 is a Home Rule Unit." The City of Chicago with a population in excess of 3,000,000 is therefore a Home Rule Unit and may, under the power granted by Section 6(a) of Article VII, "exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power . . . to tax"; and

WHEREAS, Pursuant to this constitutional power to tax granted to Home Rule Units, the City of Chicago may now provide for a judgment tax levy in excess of the present statutory limit; and

WHEREAS, Due to inadequate permissible levies for its judgment fund, the City of Chicago is in arrears in the payment of outstanding judgments against it; and

WHEREAS, It is for the best interests of the City of Chicago that it become current in payment of all prior outstanding judgments thus saving interest on said judgments and being beneficial for the credit of the municipality; and

WHEREAS, A judgment tax levy in 1980 and subsequent years not to exceed $9,000,000 would achieve this desired condition of satisfying all prior outstanding judgments; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 7-66 of Chapter 7 of the Municipal Code is hereby amended by inserting the language in Italics, and deleting the language in brackets as follows:

7-66. The City of Chicago, acting by its City Council, shall in the year [1973] *1980 and every year thereafter* levy a tax upon all the taxable property in the municipality at a rate that will produce not to exceed [$8,000,000] *$9,000,000* upon the valuation to be ascertained by the assessment of such property for the purposes of taxation in the year [1973] *1980,* and every year thereafter [the City shall levy a tax on all taxable property not to exceed $4,500,000 upon the valuation thereof]. This tax, when levied, shall be for the purpose of paying tort judgments, judgments for damage to or for the taking of private property for public use, or any other judgments entered against the City of Chicago. This tax shall be levied and collected in the same manner as the general taxes of the municipality. Judgments against the City of Chicago shall be paid out of this fund in order in which the judgments were obtained. This order of payment shall not apply to judgments of $1,000 or less, which judgments may be paid out of said order and in the order in which these judgments of $1,000 or less were obtained.

Interest accrued on these judgments shall be paid with the principal thereof. However, the interest accrued to any particular date on all judgments payable out of this fund may be paid ratably at any time without payment of the principal thereof, warrants or notes issued in anticipation of the judgment tax shall be issued under the applicable provisions of the Illinois Revised Statutes and shall bear interest at a rate to be determined at the time of sale.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) The City is a "home rule unit" as that term is defined in Section 6 of Article VII of the 1970 Constitution of the State of Illinois, the City having a population in excess of 25,000 and having not elected by referendum not to be such a home rule unit. Pursuant to the provisions of Section 6(a) of Article VII, the City may exercise any power and perform any function pertaining to its government and affairs;

(b) The existence of an operating system of public schools within the City is an essential element of its viability as a metropolitan center, its vitality as a commercial and industrial center and its attractiveness as a suitable place of residence for its citizens, and the maintenance of a system of public schools in the City is necessarily a matter of direct importance and relation to the government and affairs of the City;

(c) A preliminary plan has been prepared by various parties having an interest in the continued vitality of the City and the maintenance of the public school system existing in the City, including the City itself, the State of Illinois, certain lending institutions in the City, labor unions and others, by which to enable the Board of Education of the City of Chicago (the "Board"), which constitutes the school district established by law to provide a system of public schools in the City, to achieve a sound financial base and financial integrity and to regain access to the public markets for the financing of its programs and activities. A constituent element of such plan is the making of a short-term loan by the City to the Board by means of the purchase by the City of $50,000,000 of State Aid Anticipation Certificates issued by the Board (an additional $50,000,000 of State Aid Anticipation Certificates on a parity with such certificates having been issued by the Board to the Treasurer of the State of Illinois upon the approval of the Governor of the State of Illinois);

(d) It is necessary and in the best interests of the City that the City, pursuant to its powers as a home rule unit and pursuant to the intergovernmental cooperation clause of Illinois Constitution, purchase from the Board $15,000,000 aggregate principal amount of the Board's State Aid Anticipation Certificates (the "Certificates") on the terms set forth in the resolution of the Board, adopted January 6, 1980 (the "Resolution"), providing for the issuance of the Certificates, which resolution is attached to this Ordinance as *Exhibit A* and is incorporated by reference;

(e) The City does not have sufficient funds on hand or available from any other source to pay the cost of purchasing such Certificates from the Board, and it is necessary, therefore, that the City borrow $15,000,000 and in evidence thereof issue $15,000,000 aggregate principal amount of its general obligation notes;

(f) The City has received offers from A. G. Becker Incorporated and Salomon Brothers (the "Purchasers"), to purchase an aggregate of $15,000,000 of its general obligation notes at a price equal to their principal amounts in the respective amounts set forth in Section 4 of this Ordinance; and

(g) The City is authorized to issue $15,000,000 aggregate principal amount of general obligation notes as provided in this Ordinance pursuant to its home rule powers and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 2. The City is authorized to borrow the sum of $15,000,000 in order to provide funds to purchase from the Board $15,000,000 aggregate principal amount of Certificates on substantially the terms set forth in the Resolution. In evidence of such borrowing, general obligation notes of the City in the aggregate principal amount of $15,000,000 (the "Notes") shall be issued as hereinafter provided. (The borrowing of an additional $35,000,000 from parties other than the Purchasers, the issuance of general obligation notes of the City in evidence of that borrowing and the use of the proceeds of that borrowing to purchase from the Board an additional $35,000,000 aggregate principal amount of State Aid Anticipation Certificates of the Board have been authorized by separate ordinances.)

Each Note shall be designated "General Obligation School Funding Note, Series B of 1980", shall be dated its date of issuance, and shall bear interest from its date until paid on its unpaid principal amount at the rate of 10.675 percent per year, computed for actual days elapsed on the basis of a 360-day year. The Notes shall mature and become due on July 31, 1980. The Notes are prepayable as provided in Section 5 of this Ordinance. The initial issue of the Notes shall be numbered and be in the denominations as provided in Section 4 of this Ordinance. Each such Notes shall be payable as to principal and interest to the purchaser of such Note or its registered assigns (the "holder" or "registered holder"). Pursuant to Section 8 of this Ordinance each initial Note may be exchanged for an equal principal amount of Notes in different denominations and numbers and payable to different persons or their assigns. Such persons or their registered assigns are also referred to as "holders" or "registered holders" of the Notes.

Interest on the Notes shall be payable upon any prepayment (to the extent accrued on the principal amount prepaid) and at maturity. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the City Treasurer of the City or, as to each Note, at such other place as shall be specified in writing to the City by the registered holder of the Note. The City Treasurer shall advise in writing the initial holder of each Note of the name and address of any subsequent registered holder of such Note (or any Notes substituted therefor pursuant to Section 8) and of any place other than the office of the City Treasurer where such Note (or any substitute Notes) is payable. The City Treasurer shall act as Registrar of the Notes.

Each Note shall be executed by the manual or facsimile signature of the Mayor of the City, attested by the manual signature of the City Clerk of the City or of any Deputy City Clerk and shall have the corporate seal of the City affixed, impressed or printed thereon.

The Notes shall be issued pursuant to the powers of the City as a home rule unit and pursuant to the intergovernmental cooperation clause of the Illinois Constitution.

SECTION 3. The Notes shall constitute a direct general obligation and debt of the City, and the full faith and credit of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Notes in accordance with their terms.

As security for the payment or prepayment of principal on the initial Note issued to each holder (and any Notes substituted therefor as set forth in Section 8 of this Ordinance) the City assigns and grants a lien on and security interest in, prior to all other parties having claims of any kind in tort, contract or otherwise against the City, a Certificate with the same principal amount as such Note and all amounts which are paid or payable to the City as payment or prepayment of principal of and interest on such Certificate. Section 4 of this Ordinance lists the particular Certificates which are assigned to the initial holders of the particular initial Notes. All payments or prepayments of principal of and interest on each Certificate shall be applied to payment or prepayment of the Note to which it is assigned as long as such Note remains outstanding and unpaid. The City directs the Board, the Treasurer and Comptroller of the State of Illinois and other financial officers of the State, including the State Superintendent of Education and the Cook County Regional Superintendent of Schools to make all payments or prepayments under the Certificates, so assigned, and to make all payments of all amounts of state aid assigned as security for the Certificates so assigned, directly to the holders of the initial Notes in respect of which the various Certificates are assigned until the Notes are paid in full as to principal and interest.

As provided in Section 8 of this Ordinance, the initial Notes may be exchanged for Notes in different denominations and of different numbers and payable to different persons or their registered assigns. Should any of such initial Notes be so exchanged, then the initial purchaser of such Note shall hold the certificate assigned as security for such Note for the benefit of each holder of such Notes so issued in exchange for such Note and shall act as agent for all holders of such Notes so issued in exchange for such Note to provide for application of all payments or prepayments of the Certificates to the payment of the Notes so issued in exchange for that Note. No further assignment of Certificates by holders of Notes shall be made or be effective except to persons who also become holders of the Notes to which the Certificates relate. The City Treasurer is authorized and directed to execute and deliver assignments of the Certificates to the initial holders of the Notes as provided in this paragraph. The assignment of Certificates and payments of Certificates made in this Section is effective without the necessity of any further filing, delivery or act. Upon the payment or prepayment in full of principal of and interest on any of the Notes the assignment of the Certificate relating to that Note shall end and the holder of that Note shall immediately reassign the Certificate to the City.

The assignment of Certificates and payments or prepayments of Certificates shall be as security and as a source of payment of the Notes but shall not by itself constitute payment of the Notes, and the assignment shall not discharge the general obligation of the City to cause the principal of and interest on the Notes to be paid in full as they come due.

In addition to the security as provided in the prior paragraphs, the Notes are payable from any taxes levied and collected by the City in accordance with Section 9 of this Ordinance and from any revenues, receipts, income, assets or funds of the City which may be legally used for the payment of the Notes, such revenues to exclude, however, any revenues received from the operation of utilities or from special services and any other revenues which are required by law to be segregated from general revenues of the City.

SECTION 4. The offers received from the Purchasers to purchase the Notes at a price of their principal amounts in the denominations and in the numbers shown opposite their names below, are accepted, and the proper officials of the City are authorized and directed to take all action necessary or advisable to execute such acceptance on behalf of the City and to carry out the issuance and sale of the Notes as contemplated in this Ordinance.

The Notes shall be numbered, shall be initially payable to the persons, shall be in the denominations and there shall be assigned to the initial issue of Notes the Certificates in the numbers and principal amounts as follows:

SECTION 7. The City covenants with the holders of the Notes, that so long as the Notes remain outstanding and unpaid as to either principal or interest:

(i) it shall cause the Notes to be paid in full as to principal and interest as they come due;

(ii) it will make no assignment of any of the Certificates except as provided in this Ordinance;

(iii) it will take all steps, make all directions and file all documents as may be necessary to cause to be paid directly to the holders of the Notes the state school aid which is assigned under the Resolution for payment of the Certificates.

SECTION 8. At any time while any of the Notes is outstanding and unpaid as to either principal or interest, the holder of that Note may request the City to issue and deliver to such holder, and the City shall issue and deliver as promptly as practicable but in no event later than 10 days from the date of such request, in exchange for such Note, fully executed in the form provided in this Ordinance or in such registered or bearer form as the holder shall request, additional Notes equal in total principal amount to the principal amount of that Note. Such Notes issued in exchange for the initially issued Note shall be in such denominations (which shall be integral multiples of $5,000), shall be numbered and be payable to such persons (or their registered assigns) as the holder of the initially issued Note shall specify. Each Note so issued in exchange for an initially issued Note shall be a Note for purposes of this Ordinance. The initially issued Note shall then be considered cancelled and shall be destroyed by the City upon such exchange.

SECTION 9. This Ordinance shall constitute an appropriation of the proceeds of the sale of the Notes for the purpose of purchasing the Certificates as hereinabove provided.

This Ordinance shall also constitute an appropriation of (a) the amounts payable to the City as principal of and interest on the Certificates and (b) such general corporate funds of the City as are legally available and needed for the purpose, as determined by the City Comptroller and certified to the City Treasurer, for the purpose of making payment of the principal of and interest on the Notes as provided in this Ordinance. In the event that on June 23, 1980 there are not sufficient funds derived from payment or prepayment of the Certificates to make full payment of principal of and interest on the Notes when due, the City Comptroller shall certify to the City Treasurer the amount of such shortfall and shall designate which other funds of the City are legally available to pay principal and interest on the Notes in full. Upon the written direction of the City Comptroller the City Treasurer shall promptly apply such funds to the payment of the Notes. In the further event sufficient funds are not legally available for the payment in full of the principal of and interest on the Notes, the Mayor and City Council shall take such action as is necessary to pay in full the principal of and interest on the Notes when due, including the levy and collection of taxes which are collectible in 1981 which the City is now or may in the future be authorized to impose, including without limitation, direct taxes upon all taxable property within the City without limit as to rate or amount. If such taxes collected in 1981 are not sufficient to pay in full the principal and interest on the Notes, the City shall be under a continuing obligation to levy additional taxes until such principal and interest is paid.

SECTION 10. After this Ordinance becomes effective, the Notes shall be executed and delivered to the Treasurer of the City and be by him delivered to the Purchasers upon receipt of the purchase price therefor, which is the principal amount of each Note, and the proceeds received from the sale of the Notes shall immediately be deposited by the City Treasurer to the credit of the City and then applied to the purchase of the Certificates at a price of their principal amount.

SECTION 11. The City covenants with the holders of the Notes from time to time outstanding that it will not use or invest the proceeds of the sale of the Notes or any other funds of the City in any manner which would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated thereunder. The Mayor, City Treasurer and City Comptroller of the City or any of them are each authorized to make any representations and certifications they deem proper pertaining to the use of the proceeds of the sale of the Notes in order to establish that the Notes will not constitute arbitrage bonds as defined above.

SECTION 12. The Notes and this Ordinance shall constitute contracts severally between the City and the holders of Notes at all times while the Notes are outstanding and unpaid as to either principal or interest. The Mayor, City Treasurer and City Comptroller of the City are each authorized and directed to do all things necessary or advisable to implement the terms of this Ordinance and contract, in order to cause the Notes to be issued and delivered as provided in this Ordinance.

SECTION 13. The Ordinance of the City Council of the City adopted on January 8, 1980 entitled "Ordinance Providing for the Issuance of $15,000,000 of General Obligation School Funding Notes, Series B of 1980, of the City of Chicago, Illinois" is repealed in its entirety. All other ordinances or resolutions of the City Council of the City or portions thereof in conflict with this Ordinance are repealed to the extent of such conflict.

SECTION 14. This Ordinance is passed by the City Council as an emergency measure, because it is urgent that this Ordinance become effective to permit the City to acquire the Certificates from the Board immediately after its passage. Therefore, this Ordinance shall be passed by the affirmative vote of at least two-thirds of the members of the City Council of the City now holding office. This Ordinance shall be in full force and effect immediately upon its passage as provided in this Section.

In consideration of the various obligations undertaken by the Recipient pursuant to this Grant Agreement, and in consideration of the obligations to be undertaken by Participating Parties, as represented by the Recipient in the Application, the Secretary agrees, subject to the terms and conditions set forth herein, to provide the Recipient with grant funds in the amount specified in Exhibit A to this Grant Agreement.

The funds provided to the Recipient pursuant to this Grant Agreement shall be used in connection with the UDAG Funded Activities described and depicted in Exhibit B to this Grant Agreement and shall be so used solely for the authorized purposes described in Exhibit D to this Grant Agreement.

Section 2.03 Adjustments to Grant Funds

The amount of grant funds which the Secretary has agreed to provide to the Recipient under this Grant Agreement has been determined by the Secretary, in part, in reliance upon the cost estimates of the Recipient with respect to the UDAG Funded Activities set forth in the Application, and in part, in reliance upon the investment estimates of Participating Parties with respect to the Non-UDAG Funded Activities and UDAG Funded Activities set forth in the Application. The Secretary reserves the right to reduce the amount of funds granted under this Grant Agreement (i) to conform to any revision to which the Recipient and the Secretary may agree with respect to Exhibits B, C or D to this Grant Agreement, or (ii) if the actual costs for UDAG Funded Activities are lower than those set forth in Exhibits B or D to this Grant Agreement.

Section 2.04 Recipient's Use of Grant Revenues

(a) The Secretary shall have the right to require all Grant Revenues received by the Recipient, or by any Participating Party, prior to the completion of all UDAG Funded Activities, to be deposited in escrow under arrangements approved by the Secretary, in order to provide funds to assure completion of the UDAG Funded Activities. The Secretary may exercise said right either by specifying such requirements at Exhibit A to this Grant Agreement, or by separate written instructions to the Recipient delivered at any time prior to the completion of all UDAG Funded Activities and the draw of funds to reimburse costs incurred for such activities.

(b) Unless otherwise specifically authorized or required at Exhibit A to this Grant Agreement, all Grant Revenues which are received by the Recipient, or by any Participating Party, during the term of this Grant Agreement and prior to completion of all UDAG Funded Activities, shall be used to reimburse costs incurred for UDAG Funded Activities. Such Grant Revenues shall be so used in place and instead of any draw under the Letter of Credit, to the extent adequate to reimburse costs so incurred.

(c) Unless otherwise specifically authorized or required at Exhibit A to this Grant Agreement, all Grant Revenues received by the Recipient, or by any Participating Party, after the completion of all UDAG Funded Activities, shall be used by the Recipient, or by the Participating Party subject to the approval of the Recipient, for community or economic development activities which would be eligible for assistance under Title I of the Act.

Article III

Disbursement of Grant Funds

Section 3.01 Letter of Credit Procedures

(a) Promptly after it has become effective and the Secretary has received, from the Recipient, not less than three (3) fully executed copies of this Grant Agreement, the Secretary shall cause a Letter of Credit to be issued to the Recipient by the Department of the Treasury, or shall cause the Letter of Credit previously issued to the Recipient by the Department of the Treasury with respect to the Community Development Block Grant Program under Title I of the Act to be increased, in accordance with the procedures established by the Department of the Treasury, in an amount not to exceed the amount of grant funds referenced in Section 2.01 and specified in Exhibit A to this Grant Agreement.

(b) The issuance or increase of a Letter of Credit shall not, thereby, authorize the Recipient to use such Letter of Credit or to reimburse any costs out of funds of this grant. The authorization to use the Letter of Credit and to reimburse costs out of grant funds shall be governed by the provisions of Section 3.05 of this Grant Agreement and shall be subject to all conditions precedent to the Recipient's draw of funds which are specified in Section 3.06 of this Grant Agreement. The Recipient shall not draw upon the Letter of Credit unless and until the Secretary has so authorized the Recipient pursuant to Section 3.04 of this Grant Agreement.

(c) The Recipient is authorized to draw funds against the Letter of Credit only in accordance with the provisions of this Grant Agreement and the procedures established by the Secretary and the Department of the Treasury. No payment by the Department of the Treasury of an improper or unauthorized draw to the Recipient shall, to any extent, constitute a waiver of the right of the Secretary subsequently to challenge the validity of such draw, to enforce all rights and remedies set forth in Article VII of this Grant Agreement, or to take corrective or remedial administrative action pursuant to the UDAG Regulations, which action may include, without limitation, suspension or termination of the Recipient's funding under this Grant Agreement.

(d) The disposition of any funds provided under this Grant Agreement that remain available under the Letter of Credit following completion of the UDAG Funded Activities or the termination of this Grant Agreement by the Secretary or its termination for any cause shall be in accordance with close-out procedures then in effect or established by the Secretary, and the Recipient shall neither have nor retain any rights whatsoever with respect to such funds by virtue of this Grant Agreement.

Section 3.02 Incurring Costs for UDAG Funded Activities

(a) This grant and the use of grant funds are conditioned upon the Recipient incurring costs which are to be reimbursed under this grant only in accordance with the authority specified in this Grant Agreement, or otherwise approved by the Secretary in writing. The incurring of costs to be reimbursed out of funds of this grant shall be governed by the following:

(1) Eligible administrative costs, including, but not limited to, costs of Environmental Studies, may be incurred before or after the date of this Grant Agreement.

(2) Except for eligible administrative costs, including costs of Environmental Studies, and except as specified at paragraph (3) of this subsection (a), below, no costs to be reimbursed out of funds of this grant may be incurred by the Recipient or by any Participating Party, until all of the Environmental Conditions of this Grant Agreement have been fully satisfied, including the issuance by the Secretary of all required environmental releases, in accordance with Section 8.02 of this Grant Agreement.

(3) If the Recipient has not satisfied all of the Environmental Conditions, or the Secretary has not issued the required releases, as aforesaid, then, after the effective date of this Grant Agreement and until all of the Environmental Conditions have been satisfied and said releases issued, the only costs to be reimbursed out of grant funds which may be incurred by the Recipient or by Participating Parties (other than for administration and for Environmental Studies) shall be as follows:

(i) Eligible Costs for the development of plans or designs, or for the performance of other work necessary to support an application for any Federal, State or local permits, or assistance, or to support an application for debt financing.

(ii) Eligible Costs not affecting the environment which, by their nature, in the ordinary course of events, involve critical time limitations or requirements (e.g., long leadtime equipment or material purchase orders; expiring purchase options; solicitations for bids).

(iii) Eligible Costs for any other activities which are catagorical exclusions or are otherwise exempted from the Environmental Requirements by any provision in 24 C.F.R. Part 58.

(4) After the Recipient has satisfied all of the Environmental Conditions and the Secretary has issued the required environmental releases, as aforesaid, then, at any time after the effective date of this Grant Agreement, the Recipient and the Participating Parties may incur Eligible Costs which are to be reimbursed out of funds of this grant.

(b) The authorization in subsection (a) of this Section 3.02, above, to incur costs, is not an authorization to reimburse those costs and does not mean or imply that such costs will, in fact, be reimbursed out of grant funds. It means the Recipient and Participating Parties may, voluntarily, and at their own risk, and upon their own credit and expense, incur costs as authorized at said subsection (a), above, but their authority to reimburse or to be reimbursed out of grant funds shall be governed by the provisions of this Grant Agreement applicable to the reimbursement of costs and the release of funds by the Secretary.

(c) Neither the Recipient nor any Participating Party shall incur any costs in connection with any UDAG Funded Activity, even though such costs or action will not be reimbursed or funded out of grant funds, unless such costs could be incurred pursuant to subsection (a) of this Section 3.02, above, if such costs were to be reimbursed or funded out of grant funds.

Section 3.03 Incurring Costs for Non-UDAG Funded Activities

The Recipient shall not incur any costs, in connection with any Non-UDAG Funded Activity, other than any costs which could be incurred pursuant to subsection (a) of Section 3.02, in the case of a UDAG Funded Activity, until all of the Environmental Conditions of this Grant Agreement have been satisfied, including the issuance by the Secretary of all required environmental releases in accordance with Section 8.02 of this Grant Agreement.

Section 3.04 Authorization by the Secretary for the Recipient to Draw Funds

(a) If Exhibits E or F to this Grant Agreement do not require or authorize the phasing or staging of the Recipient's draw of funds, then upon a finding by the Secretary that the Recipient has submitted, in a timely manner and in acceptable form and content, all of the evidentiary materials required by this Grant Agreement to be submitted to and accepted by the Secretary; and upon acceptance and approval by the Secretary of said evidentiary materials; and if no event of default has occurred, as defined at subsection (a) of Section 7.01 of this Grant Agreement, the Secretary shall promptly issue to the Recipient a written authorization to draw grant funds under the Letter of Credit, for all of the UDAG Funded Activities specified at Exhibit B to this Grant Agreement.

(b) If Exhibits E or F to this Grant Agreement do require or authorize the phasing or staging of the Recipient's draw of funds, then upon a finding by the Secretary that the Recipient has submitted, in a timely manner and in acceptable form and content, all of the evidentiary materials specified and required at said Exhibit E to be submitted to and accepted by the Secretary respecting any particular phase or stage of the draw of funds; and upon acceptance and approval by the Secretary of said evidentiary materials; and if no event of default has occurred, as defined at subsection (a) of Section 7.01 of this Grant Agreement, the Secretary shall promptly issue to the Recipient a written authorization to draw funds under the Letter of Credit in accordance with any requirements or authorizations described at said Exhibit E respecting the particular phase or stage of the draw of funds.

Section 3.05 Reimbursement of Costs

(a) No costs shall be reimbursed by the Recipient out of grant funds prior to the issuance by the Secretary of a written authorization to draw funds under the Letter of Credit, pursuant to Section 3.04 of this Grant Agreement.

(b) All evidentiary materials required by this Grant Agreement to be submitted to and approved or accepted by the Secretary, as conditions precedent to the Recipient's authority to reimburse costs, shall be so submitted by the Recipient and approved or accepted by the Secretary before the Secretary will issue any authorization to the Recipient prior to any draw of funds under the Letter of Credit.

(c) All certifications and other materials required by this Grant Agreement to be submitted to the Secretary as conditions precedent to the Recipient's authority to reimburse costs shall be so submitted by the Recipient prior to any draw of funds under the Letter of Credit.

(d) Notwithstanding any of the foregoing subsections (a), (b) and (c) of this Section 3.05, and notwithstanding the issuance by the Secretary of any unconditional authorization to the Recipient to draw funds under the Letter of Credit, the Recipient is prohibited from reimbursing any costs and from drawing any funds under the Letter of Credit, unless and until the Recipient has satisfied all of the Environmental Conditions of this Grant

Agreement and the Secretary has issued all of the required environmental releases, in accordance with Section 4.02 of this Grant Agreement.

Section 3.06 Conditions Precedent to Recipient's Draw of Funds Under Letter of Credit

Prior to the Recipient's reimbursement of any costs with grant funds, and prior to the Recipient's drawing of any grant funds under the Letter of Credit, the following conditions shall have been satisfied:

(a) General: Conditions Applicable in All Cases

(1) The Recipient shall have satisfied all of the Environmental Conditions of this Grant Agreement.

Nays—Aldermen Humes, Sherman, Young—3.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Findings.*

It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) As required by law, pursuant to the authorization and direction of the Board of Education of the City of Chicago, Illinois (the "Board"), the City Council of the City has by ordinance levied taxes for the Board's fiscal year ending August 31, 1980, a portion of which amounts are to be extended for collection in 1981.

(b) The Board has been unable to sell its general obligation tax anticipation notes in anticipation of the receipt of such taxes.

(c) The Board does not have enough money to pay its expenditures, charges and liabilities for the period beginning January 1, 1980, and ending August 31, 1980.

(d) House Bill 1910, adopted by the Illinois General Assembly on January 12, 1980, and approved by the Governor on January 16, 1980 (the "Act"), authorizes the City to issue special obligation notes in anticipation of the receipt of taxes levied for the Board and to be collected in 1981.

(e) The Board has by its Resolution adopted January 18, 1980, requested the City to issue $225,000,000 aggregate principal amount of such special obligation notes.

(f) It is necessary and in the best interests of the City and the Board for the City to issue such special obligation notes and to advance the proceeds of such special obligation notes to the Board as provided in the Act.

SECTION 2. *Authorization of Notes.*

(a) Having been requested by the Board, the City declares its intention to borrow money in the amount of $225,000,000 and, in evidence of that borrowing, to issue its Special Obligation School Tax Anticipation Notes, Series of 1980, in that amount (the "Notes"). The Notes shall be issued in separate issues for the various purposes for which taxes were levied by the City Council for the Board for the current school fiscal year. The principal amount of each issue shall not exceed 85% of the amount of the tax levied in 1979 and to be extended in 1981 for that specific purpose for which a tax is levied.

(b) Pending approval by the City Council, the City shall by subsequent ordinance levy a tax against all taxable property of the City, prior to issuance of the Notes, sufficient to pay the principal of and interest on the Notes as they mature. The levy of taxes for the Board to be extended in 1981 shall be reduced by the amount of the taxes to be levied for the Notes. Should the Notes be paid from sources other than those taxes, the taxes shall be paid by the City to the Board.

(c) The Notes are to be secured by an issue of General Obligation Notes of the Board with the same principal amounts (the "Board Notes"). The Board Notes are to be secured by an assignment, pledge, lien on and security interest in state aid for the Board which may be appropriated.

(d) The said aid is to be directed to be used to pay the Notes only if the taxes are insufficient to pay them as of 35 days before a principal due date on the Notes. In addition, the holder of any of the Notes shall have the right to have the state aid used to prepay those Notes, starting October 1, 1980.

(e) The Notes will not be general obligations of the City. The City will be obligated to apply the proceeds of the tax referred to above to pay the Notes and to use any payments or prepayments of the Board Notes for that purpose, including any payments of state aid.

SECTION 3. *Sale of Notes.*

The Controller is authorized to seek offers from banks or others to purchase the Notes. The details of the Notes, their interest rates, maturity dates, the levy of taxes to pay the Notes and the security for the Notes shall be set forth in more detail in an ordinance awarding sale of the Notes, which ordinance is to be adopted upon receipt of offers for the Notes.

SECTION 4. *Effectiveness.*

This ordinance is effective upon its adoption.

Approval Given to Ordinance Amending Ordinances Providing for Issuance of General Obligation School Funding Notes Series B and C of 1980 by Authorizing Issuance of $7 Million Additional Notes of Series B Instead of Equal Amount of Notes of Series C.

Honorable Jane M. Byrne, Mayor, submitted the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

January 21, 1980.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN—I transmit herewith an Ordinance amending Ordinances providing for the issuance of General Obligation School Funding Notes Series B and C of 1980 of the City of Chicago to authorize the issuance of $7,000,000 of additional Notes of Series B instead of an equal amount of Notes of Series C.

Your favorable consideration of this Ordinance will be appreciated.

Very truly yours,
(Signed) JANE M. BYRNE,
Mayor.

The proposed ordinance transmitted with the foregoing communication reads as follows:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. It is found and declared by the City Council of the City of Chicago, Cook County, Illinois (the "City"), as follows:

(a) On January 8, 1980, the City Council of the City adopted and the Mayor approved an ordinance entitled "Ordinance Providing for the issuance of $10,000,000 of General Obligation School Funding Notes, Series C of 1980, of the City of Chicago, Illinois" (the "Series C Ordinance"). The Series C Ordinance authorized the issuance of $10,000,000 General Obligation School Funding Notes, Series C of 1980 (the "Series C Notes") to various unions;

(b) On January 16, 1980, the City Council of the City adopted and the Mayor approved an ordinance entitled "Ordinance Providing for the Issuance of $15,000,000 of General Obligation School Funding Notes, Series B of 1980, of the City of Chicago, Illinois" (the "Series B Ordinance"). The Series B Ordinance authorized the issuance of $15,000,000 General Obligation School Funding Notes, Series B of 1980 (the "Series B Notes") to A. G. Becker Incorporated and Salomon Brothers.

(c) As of the adoption of this Ordinance, all of the Series B Notes have been issued and delivered and the proceeds of the Series B Notes used to purchase an equal aggregate principal amount of State Aid Anticipation Certificates of the Board of Education of the City of Chicago (the "Board");

((d) As of the adoption of this Ordinance, various unions referred to in the Series C Ordinance have purchased a portion but not all of the authorized amount of the Series C Notes;

(e) The City expects to receive an offer from Salomon Brothers promptly to purchase an additional aggregate principal amount of $7,000,000 of Series B Notes; and

(f) In order to provide funds immediately for purchasing State Aid Anticipation Certificates of the Board, it is necessary and in the best interests of the City, by this Ordinance, to amend the Series B Ordinance to authorize the issuance by the City of an additional $7,000,000 of Series B Notes (in addition to those which have previously been issued, authorized and delivered), to accept an offer from Salomon Brothers to purchase an additional $7,000,000 of Series B Notes, and to amend the Series C Ordinance to reduce the authorized principal amount of the Series C Notes to $3,000,000. Thus, the total principal amount of Series B and Series C Notes shall equal $25,000,000.

SECTION 2. (a) The adoption of the Series B Ordinance is ratified and confirmed. The Series B Ordinance is amended to increase the aggregate principal amount of the Series B Notes authorized by the Series B Ordinance from $15,000,000 to $22,000,000. The City is now authorized to borrow, and shall borrow, $7,000,000 (in addition to the amount authorized to be borrowed in the Series B Ordinance before being so amended) to provide funds to purchase an additional State Aid Anticipation Certificate of the Board in the aggregate principal amount of $7,000,000 (the "Additional Certificate"). In evidence of such additional borrowing general obligation notes of the City in the aggregate principal amount of up to $7,000,000 (the "Additional Notes") shall be issued as provided in the Series B Ordinance, in addition to the Series B Notes as authorized as provided in the Series B Ordinance before being so amended.

(b) Each of the findings in the Series B Ordinance shall apply to the Additional Notes as well as to the Series B Notes as originally so authorized. For all purposes of the Series B Ordinance, as amended by this Ordinance, the term "Notes" in the Series B Ordinance, as amended by this Ordinance, shall include the Additional Notes and the term "Certificates" shall include the Additional Certificate. The Additional Notes shall be issued initially as a single Note in the full principal amount of the Additional Notes, payable to Salomon Brothers, be numbered 3, and shall be secured by an assignment to Salomon Brothers of the Additional Certificate. Each Additional Note shall have the same designation, shall bear interest at the same rate and on the same terms, shall mature on the same date, shall be payable and prepayable in the same manner and on the same terms, shall be in the same form (except for the reference to the total principal amount of the Series B Notes and except that the form shall refer to the Series B Ordinance, as amended by this Ordinance) and shall be exchangeable on the same terms, all as the Series B Notes as originally authorized. The Additional Notes shall be a general obligation debt of the City to which is irrevocably pledged the City's full faith and credit. The Additional Notes shall be secured in the same manner as the Series B Notes as originally authorized.

(c) Each of the covenants of the City set forth in the Series B Ordinance as originally adopted applies to the Additional Notes and the holders thereof, and the Series B Ordinance as amended by this Ordinance shall constitute a contract between the City and the holders of the Additional Notes at all times while the Additional Notes are outstanding and unpaid as to either principal or interest.

(d) The Series B Ordinance assigns to the holders of each Series B Note (and any Series B Notes substituted therefor as set forth in Section 8 of that Ordinance), and grants the holders of those Series B Notes a lien on and a security interest in, Certificates numbered 10 and 11 with the same principal amount of the initial Series B Notes and on all amounts which are paid or payable to the City as payment or prepayment of principal of and interest on such Certificates. This Ordinance assigns to the holders of the Additional Notes (and any notes substituted therefor pursuant to Section 8 of the Series B Ordinance), and grants the holders of the Additional Notes a lien on and a security interest in the Additional Certificate. The foregoing assignments and grants shall be as security for the payment of principal of and interest on all Series B Notes, including the Additional Notes.

(e) The issuance and sale of $15,000,000 of Series B Notes pursuant to the Series B Ordinance as originally adopted is ratified and confirmed.

(f) No fee or other assessment, other than nondiscriminatory fees or assessments of general applicability which may subsequently be imposed by the City or any other government will be charged in connection with any transfer or exchange of any Series B Note (including any Additional Notes), or any registration of a new registered owner thereof.

SECTION 3. The Mayor is authorized and directed to accept an offer from Salomon Brothers to purchase the Additional Notes at a price equal to their principal amount. The proper officers of the City are authorized and directed to take all action necessary or advisable to carry out the issuance and sale of the Additional Notes as provided by this Ordinance and the Series B Ordinance. After this Ordinance becomes effective, the Additional Notes shall be executed and delivered to the Treasurer of the City and be by him delivered to Salomon Brothers upon receipt of the purchase price therefor which is their principal amount. The proceeds from the sale of the Additional Notes shall immediately be applied as contemplated by this ordinance.

SECTION 4. The Series C Ordinance is amended to reduce the total principal amount of Series C Notes authorized to be issued to the sum of $3,000,000. The issuance and sale of $3,000,000 Series C Notes to various union groups as completed prior to the adoption of this Amendatory Ordinance is ratified and confirmed.

SECTION 5. This Ordinance is passed by the City Council as an emergency measure, it being urgent that this Ordinance become effective to permit the City to acquire the Additional Certificate from the Board immediately upon its adoption. This Ordinance is thus passed by the affirmative vote of at least two-thirds of the members of the City Council now holding office. This Ordinance shall be in full force and effect immediately upon its adoption.

SECTION 8. The Notes herein authorized may be initially issued in temporary form exchangeable for definite Notes when ready for delivery. After said Notes hereby authorized in the aggregate principal amount of $1,850,000 have been issued, it shall be the duty of the County Clerks of Cook and Du Page Counties, in computing the tax rate for Chicago Public Library (Buildings and Sites) purposes for the fiscal year 1980 to reduce said tax for said Chicago Public Library (Buildings and Sites) purposes by the amount herein levied to pay the principal of and interest on said Notes hereby authorized to maturity, subject to such abatement of such taxes herein levied as hereinafter provided in Section 6 hereof and resulting from a sale of the Notes herein authorized at a lower rate of interest than the rate herein provided for.

SECTION 6. That the City Comptroller is hereby authorized to sell the Notes herein authorized, with the concurrence of the Chairman of the Finance Committee of the City Council, either pursuant to advertised notice and the receipt of sealed bids and such sale to be on the basis of not less than par and the lowest interest cost to the City, or to negotiate for a sale of such Notes at a price of not less than par and on such terms as he may deem to be for the best interests of the City. Subsequent to such sale, the Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council and setting forth the name of the purchaser or purchasers of such Notes, the terms of such sale, the interest rate of such Notes, and the numbers and denominations thereof, and thereafter the Notes shall be duly prepared and executed in the form and manner as herein provided and be delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that such Notes are sold bearing an interest rate less than the maximum rate herein authorized, then the City Comptroller shall include in the notification of sale, above referred to, further information to indicate the amount of saving in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, said Comptroller shall file in the offices of the County Clerks of Cook and DuPage Counties a certificate of tax abatement, such certificate referring to the amount of taxes herein levied for the year 1980 for the payment of the principal of and interest on the Notes herein authorized to their maturity, indicating the amount of reduction in interest cost to the City resulting from the sale of the Notes herein authorized at a lesser rate of interest than the maximum rate herein authorized and which amount is to be abated from the taxes herein levied for the year 1980 and further indicating the remainder of such taxes herein levied for the year 1980 which are to be extended for collection by said respective County Clerks.

That simultaneously with such delivery of said Notes, the City Treasurer and the City Comptroller shall withdraw from such sale proceeds an amount which, together with accrued interests received, will be sufficient to pay the interest becoming due on said Notes on October 15, 1980 which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for the prompt payment of the interest coupons representing the interest becoming due on said Notes on October 15, 1980, and which said agreement shall further provide that the amount so deposited therein shall be invested in investments permitted by State law and having such maturities that sufficient funds will be available for the prompt payment of interest coupons numbered one, and including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments, and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the Chicago Public Library (Buildings and Sites) Fund of the City. The amount withdrawn from the proceeds of the sale of said Notes shall be deposited into said Chicago Public Library (Buildings and Sites) Fund from the taxes herein levied for the year 1980 to pay the principal and interest requirements of said Notes when the same will have been collected.

The proceeds of said Notes shall be used to provide the sum necessary for Chicago Public Library (Buildings and Sites) purposes for the year 1980. Said Notes in the principal amount of $1,850,000 constitute the first series of Notes issued for 1980 pursuant to the acts hereinabove mentioned.

SECTION 7. That said City of Chicago covenants that it will take no action in the investment of the proceeds of said Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of said Notes being classified as "arbitrage bonds" within the meaning of Section 193(c) of the Internal Revenue Code of 1954, as amended.

SECTION 8. The Notes herein authorized may be initially issued in temporary form exchangeable for definitive Notes when ready for delivery. The temporary Notes shall be of such denomination or denominations, with or without coupons, as may be mutually agreed upon between the City Comptroller and the successful bidder and may contain such reference to any of the provisions of this Ordinance as may be appropriate. Every temporary Note shall be executed by the officials of the City upon the same conditions and in substantially the same manner as the definitive Notes. If temporary Notes are issued, the City will use its best efforts to furnish and execute the definitive Notes without delay and thereupon the temporary Notes may be surrendered for cancellation and exchange therefor. Until so exchanged the temporary Notes shall be entitled to the same benefits under this Ordinance as definitive Notes duly executed and delivered hereunder.

SECTION 9. That all ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance, be and the same are hereby repealed and this Ordinance shall be published by the City Clerk by being printed in pamphlet form by causing to be prepared at least 1,000 copies thereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after is publication as provided by law.

For the year 1980, a tax sufficient to produce the sum of $18,362,500.00 for interest and principal.

Of the taxes herein levied for the year 1980 for the Notes (the "Pledged Taxes"), the City Treasurer is hereby ordered and directed to deposit in escrow, with the Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, that portion of each distribution of the proceeds received from the collection of the first installment of 1980 taxes attributable to the levy for the Pledged taxes in a special account hereby established, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for Payment of City of Chicago General Obligation Tax Anticipation Notes, Series of January, 1980—Chicago Public Library (Maintenance and Operation) Fund". Such deposits shall continue until a sufficient amount has been so deposited to pay the interest becoming due on all the Notes herein authorized, on April 15, 1981, and on September 15, 1981, and also the principal becoming due on such dates. The said City Treasurer is further ordered and directed to continue to deposit in such escrow that portion of each distribution of the proceeds received from the collection of the second installment of 1980 taxes attributable to the levy for the Pledged Taxes until a sufficient amount has been so deposited to pay the principal of and the interest thereon of the Notes herein authorized. The levy of taxes for the Notes herein provided for shall be for the sole benefit of the holders of the Notes and such holders shall have a claim against such levy and a first and prior lien upon all present and future proceeds of such levy when deposited in the special escrow account until the principal of and interest on the Notes are paid in full.

In the event that sufficient moneys are not deposited in said special account in escrow to meet in a timely manner the required principal and interest payments, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof.

Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes herein authorized and shall not be used for any other purpose so long as the Notes remain outstanding and unpaid. Any earnings on such investments shall be paid, when received by said bank, to the City.

The claim and first and prior lien for the benefit of the holders of the Notes made or created pursuant to this Ordinance and the escrow agreement shall be valid and binding from the time the Notes are issued.

SECTION 5. A copy of this ordinance duly certified by the Clerk of the City of Chicago shall be filed in the offices of the County Clerks of Cook and DuPage Counties, Illinois, and such filing shall constitute the authority for and it shall be the duty of said respective County Clerks to extend for collection such taxes herein levied, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by said City of Chicago on behalf of said City.

After said Notes hereby authorized in the aggregate principal amount of $15,750,000 have been issued, it shall be the duty of the County Clerks of Cook and DuPage Counties, Illinois, in computing the tax rate for Chicago Public Library (Maintenance and Operation) purposes for the fiscal year 1980 to reduce said tax for said Chicago Public Library (Maintenance and Operation) purposes by the amount herein levied to pay the principal of and interest on said Notes hereby authorized to maturity, subject to such abatement of such taxes herein levied as hereinafter provided in Section 6 hereof and resulting from a sale of the Notes herein authorized at a lower rate of interest than the rate herein provided for.

SECTION 6. Subsequent to such sale, the Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council and setting forth the name of the purchaser or purchasers of such Notes, the terms of such sale, the interest rate of such Notes, and the numbers and denominations thereof, and thereafter the Notes shall be duly prepared and executed in the form and manner as herein provided and be delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that such Notes are sold bearing an interest rate less than the maximum rate herein authorized, then the City Comptroller shall include in the notification of sale, above referred to, further information to indicate the amount of saving in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, said Comptroller shall file in the offices of the County Clerks of Cook and DuPage Counties a certificate of tax abatement, such certificate referring to the amount of taxes herein levied for the year 1980 for the payment of the principal of and interest on the Notes herein authorized to their maturity, indicating the amount of reduction in interest cost to the City resulting from the sale of the Notes herein authorized at a lesser rate of interest than the maximum rate herein authorized and which amount is to be abated from the taxes herein levied for the year 1980 and further indicating the remainder of such taxes herein levied for the year 1980 which are to be extended for collection by said respective County Clerks.

That simultaneously with such delivery of said Notes, the City Treasurer and the City Comptroller shall withdraw from such sale proceeds an amount which, together with accrued interest received, will be sufficient to pay the interest becoming due on said Notes on October 15, 1980 which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for the prompt payment of the interest coupons representing the interest becoming due on said Notes on October 15, 1980, and which said agreement shall further provide that the amount so deposited therein shall be invested in investments permitted by State law and having such maturities that sufficient funds will be available for the prompt payment of interest coupons numbered one, and including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments, and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the Chicago Public Library (Maintenance and Operation) Fund of the City. The amount withdrawn from the proceeds of the sale of said Notes shall be deposited into said Chicago Public Library (Maintenance and Operation) Fund from the taxes herein levied for the year 1980 to pay the principal and interest requirements of said Notes when the same will have been collected.

The proceeds of said Notes shall be used to provide the sum necessary for Chicago Public Library (Maintenance and Operation) purposes for the year 1980. Said Notes in the principal amount of $15,750,000 constitute the first series of Notes issued for 1980 pursuant to the acts hereinabove mentioned.

SECTION 7. That said City of Chicago covenants that it will take on action in the investment of the proceeds of said Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of said Notes being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 8. The Notes herein authorized may be initially issued in temporary form exchangeable for definitive Notes when ready for delivery. The levy of taxes for the Notes herein provided for shall be for the sole benefit of the holders of the Notes and such holders shall have a claim against such levy and a first and prior lien upon all present and future proceeds of such levy when deposited in the special escrow account until the principal of and interest on the Notes are paid in full.

In the event that sufficient moneys are not deposited in said special account in escrow to meet in a timely manner the required principal and interest payments, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof.

Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes herein authorized and shall not be used for any other purpose so long as the Notes remain outstanding and unpaid. Pending the need for the use of the moneys so deposited, the bank in which such deposit has been made shall invest the moneys so deposited in investments lawfully permitted for City funds and maturing within the time required to pay interest and principal on the Notes, such investments to be in accordance with directions to be received from the City Comptroller. Any earnings on such investments shall be paid, when received by said bank, to the City.

The claim and first and prior lien for the benefit of the holders of the Notes made or created pursuant to this Ordinance and the escrow agreement shall be valid and binding from the time the Notes are issued.

SECTION 5. A copy of this ordinance duly certified by the Clerk of the City of Chicago shall be filed in the offices of the County Clerks of Cook and DuPage Counties, Illinois, and such filing shall constitute the authority for and it shall be the duty of said respective County Clerks to extend for collection such taxes herein levied, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by said City of Chicago on behalf of said City.

After said Notes hereby authorized in the aggregate principal amount of $7,750,000 have been issued, it shall be the duty of the County Clerks of Cook and DuPage Counties, Illinois, in computing the tax rate for City Relief (General Assistance) purposes for the fiscal year 1980 to reduce said tax for said City Relief (General Assistance) purposes by the amount herein levied to pay the principal of and interest on said Notes hereby authorized to maturity, subject to such abatement of such taxes herein levied as hereinafter provided in Section 6 hereof and resulting from a sale of the Notes herein authorized at a lower rate of interest than the rate herein provided for.

SECTION 6. That the City Comptroller is hereby authorized to sell the Notes herein authorized, with the concurrence of the Chairman of the Finance Committee of the City Council, either pursuant to advertised notice and the receipt of sealed bids and such sale to be on the basis of not less than par and the lowest interest cost to the City, or to negotiate for a sale of such Notes at a price of not less than par and on such terms as he may deem to be for the best interests of the City. Subsequent to such sale, the Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council and setting forth the name of the purchaser or purchasers of such Notes, the terms of such sale, the interest rate of such Notes, and the numbers and denominations thereof, and thereafter the Notes shall be duly prepared and executed in the form and manner as herein provided and be delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that such Notes are sold bearing an interest rate less than the maximum rate herein authorized, then the City Comptroller shall include in the notification of sale, above referred to, further information to indicate the amount of saving in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, said Comptroller shall file in the offices of the County Clerks of Cook and DuPage Counties a certificate of tax abatement, such certificate referring to the amount of taxes herein levied for the year 1980 for the payment of the principal of and interest on the Notes herein authorized to their maturity, indicating the amount of reduction in interest cost to the City resulting from the sale of the Notes herein authorized at a lesser rate of interest than the maximum rate herein authorized and which amount is to be abated from the taxes herein levied for the year 1980 and further indicating the remainder of such taxes herein levied for the year 1980 which are to be extended for collection by said respective County Clerks.

That simultaneously with such delivery of said Notes, the City Treasurer and the City Comptroller shall withdraw from such sale proceeds an amount which, together with accrued interest received, will be sufficient to pay the interest becoming due on said Notes on October 15, 1980 which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for the prompt payment of the interest coupons representing the interest becoming due on said Notes on October 15, 1980, and which said agreement shall further provide that the amount so deposited therein shall be invested in investments permitted by State law and having such maturities that sufficient funds will be available for the prompt payment of interest coupons numbered one, and including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments, and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the City Relief (General Assistance) Fund of the City. The amount withdrawn from the proceeds of the sale of said Notes shall be deposited into said City Relief (General Assistance) Fund from the taxes herein levied for year 1980 to pay the principal and interest requirements of said Notes when the same will have been collected.

The proceeds of said Notes shall be used to provide the sum necessary for City Relief (General Assistance) purposes for the year 1980. Said Notes in the principal amount of $7,750.000 constitute the first series of Notes issued for 1980 pursuant to the acts hereinabove mentioned.

SECTION 7. That said City of Chicago covenants that it will take no action in the investment of the proceeds of said Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of said Notes being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 8. The Notes herein authorized may be initially issued in temporary form exchangeable for definitive Notes when ready for delivery. The temporary Notes shall be of such denomination or de-

nominations, with or without coupons, as may be mutually agreed upon between the City Comptroller and the successful bidder and may contain such reference to any of the provisions of this Ordinance as may be appropriate. Every temporary Note shall be executed by the officials of the City upon the same conditions and in substantially the same manner as the definitive Notes. If temporary Notes are issued, the City will use its best efforts to furnish and execute the definitive Notes without delay and thereupon the temporary Notes may be surrendered for cancellation and exchange therefor. Until so exchanged the temporary Notes shall be entitled to the same benefits under this Ordinance as definitive Notes duly executed and delivered hereunder.

Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments, and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the Judgment Fund of the City. SECTION 7. That said City of Chicago covenants that it will take no action in the investment of the proceeds of said Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of said Notes being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 8. The Notes herein authorized may be initially issued in temporary form exchangeable for definitive Notes when ready for delivery. The Board has not issued any tax anticipation warrants or tax anticipation notes in respect of any taxes levied as described in paragraph (b) above. No notes in respect to those taxes have been issued by the City or by any other public authority or unit of local government.

Pursuant to the provisions of Section 6(a) of Article VII and subject to the limitations of that

Article, the City may exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to tax and to incur debt.

(g) The Board constitutes the school district established by law to provide a system of public schools in the City. Section 10 of Article VII of the Constitution of the State of Illinois provides for cities and school districts to use their credit, revenues, and other resources to service debt related to intergovernmental activities.

(h) The existence of an operating system of public schools within the City is an essential element of its viability as a metropolitan center, its vitality as a commercial and industrial center and its attractiveness as a suitable place of residence for its citizens, and the maintenance of a system of public schools in the City is necessarily a matter of direct importance and relation to the government and affairs of the City.

(i) Under the Act, the City may from time to time borrow money and issue notes for the purpose of providing financing for the Board pursuant to a request or requests by the Board. The Board has, by the Resolution, a certified copy of which has been filed with the City and a copy of which is attached to this Ordinance as Exhibit A and made a part of this Ordinance, requested that the City issue the notes as provided in this Ordinance. The issuance of the Notes is also authorized by the City's powers as a home rule unit under the Constitution of the State of Illinois and under the intergovernmental cooperation clause of the Constitution of the State of Illinois.

(j) Under the Act and as provided in this Ordinance, the proceeds of each issue of the Notes, after paying Costs of Issuance as determined by the City Comptroller, are to be advanced by the City to the Board and applied by the Board for the related purposes for which it has levied taxes as specified in paragraph (b) of this Section and with respect to which the City has issued such issue of Notes. The advances by the City to the Board shall be evidenced by general obligation notes of the Board issued to the City. By the Resolution the Board has authorized the issuance of such Board Notes. Under the Act and the Resolution, the Board Notes may be pledged and assigned by the City for the benefit of the Holders of the Notes as security for the obligation of the City, as provided in this Ordinance, to pay the principal of and interest on the Notes.

(k) It is necessary and in the best interests of the City and the Board for the City to issue the Notes and to advance the proceeds of such Notes, after paying Costs of Issuance, to the Board as provided by the Act and this Ordinance. It is also necessary and in the best interests of the City and the Board for the Board to evidence those advances by the issuance of the Board Notes to the City and for the City to pledge and assign the Board Notes as security for the obligation of the City, as provided in this Ordinance, to pay the principal of and interest on the Notes.

(l) Under the Act and this Ordinance the Board may, as security for the Board Notes, pledge and assign to the City and grant it a lien on and security interest in all Available Revenues, and the City may pledge and assign to the Holders of the Notes, and grant to such Holders a lien on and security interest in all the City's right, title and interest in and to such Available Revenues. The Board by the Resolution has pledged and assigned to the City, and granted it a lien on and security interest in, all Available Revenues. It is necessary and in the best interests of the City and the Board for the City to pledge and assign to the Holders of the Notes and to grant to such Holders a lien on and security interest in all the City's right, title and interest in and to such Available Revenues, all as provided by the Act and this Ordinance.

This Note and the issue of which it is a part are special and limited obligations of the City and do not constitute a pledge of the full faith and credit of the City and the City is obligated to pay the principal of and interest on such notes solely from the sources described below and as provided in the Ordinance. Both principal of and interest on this Note are payable in lawful money of the United States of America.

This Note is one of an authorized issue of notes of the City, designated Special Obligation School Tax Anticipation Notes (Series of 1980— ..... Purposes) in the aggregate principal amount of $..... This Note and the issue of which it is a part are issued for the purpose of providing the City money to advance to the Board of Education of the City (the "Board") to provide financing for the Board for ..... purposes. This Note and the issue of which it is a part and other issues of notes of the City authorized by and issued pursuant to the Ordinance, were issued in accordance with the Illinois Constitution of 1970 and pursuant to the provisions of Article 34B of The School Code, as amended, and other applicable statutes of the State of Illinois, as well as pursuant to the home rule and intergovernmental cooperation clauses of the Illinois Constitution of 1970, and pursuant to the Ordinance.

The City Council of the City has levied a direct annual tax upon all taxable property in the City sufficient to pay the principal of and interest on this Note and the issue of notes of which it is a part when the same become due. The holders of such issue of notes have been granted a lien on and security interest in all rights, claims and interests of the City arising pursuant to the levy and all proceeds of the levy.

This Note and the issue of notes of which it is a part are equally and ratably secured by a pledge and assignment by the City to the Trustee for the benefit of the holders of such notes of general obligation notes of the Board issued to the City (the "Board Notes"). The Board Notes have been authorized by a duly adopted resolution of the Board (the "Resolution"), in a principal amount

equal to the total principal amount of the issue of notes of which this Note is a part, bearing interest at a rate equal to the interest rate on this Note and dated as of and maturing on the same dates as the issue of notes of which this Note is a part.

As security for the obligation of the Board to pay the principal of and interest on the Board Notes when due, the Board has pledged and assigned to the City and granted to the City a lien on and security interest in certain revenues (the "Available Revenues"), all as and to the extent provided in the Resolution and the Ordinance. This Note and the issue of which it is a part, together with other issues of notes of the City authorized and issued pursuant to the Ordinance, are further secured by a pledge and assignment equally and ratably to the holders of such notes and a grant to the holders of such notes, of a security interest in and lien on all the City's right, title and interest in and to the Available Revenues, all as and to the extent provided in the Ordinance. To the extent that the issue of notes of which this Note is a part shall be paid or prepaid, in whole or in part, as to principal or interest, from any funds, the Board Notes shall be concurrently discharged to that same extent.

This Note and the issue of which is a part are special and limited obligations of the City and are not secured by a pledge of the full faith and credit of the City. The City shall be obligated to pay the principal of and interest on this Note and the issue of which it is a part as it comes due solely from one or more of the following sources: (i) taxes levied by the City as provided in Section 6 of the Ordinance and collected and deposited in the appropriate note account established by the Ordinance; (ii) payments by the Board pursuant to the Board Notes as provided in Section 7 of the Ordinance; (iii) Available Revenues pledged and assigned by the Board to the City as security for the Board Notes pursuant to the Resolution and further pledged and assigned by the City as security for the issue of notes of which this Note is a part pursuant to Section 8 of the Ordinance; and (iv) interest and investment earnings on deposits in the Debt Service Fund established by the Ordinance.

This Note is prepayable at the option of the City upon the terms and conditions and at the price specified in the Ordinance. This Note is subject to mandatory prepayment at the option of the holder upon the terms and conditions, at the price, and at the time, all as and to the extent provided in the Ordinance.

Neither this Note nor the Board Notes are debts of the State of Illinois.

No official, officer, agent or employee of the City or the Board shall be liable personally on this Note by reason of its issuance.

This Note is transferable by the registered holder of this Note in person or by his or her attorney duly authorized in writing at the corporate trust office of the Trustee in Chicago, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance and upon surrender and cancellation of this Note.

The City and Trustee may deem and treat the registered owner of this Note as the absolute owner of this Note for the purpose of receiving payment of or on account of principal and interest and for all other purposes, and neither the City nor the Trustee shall be affected by any notice to the contrary.

All acts, conditions and things required to be accomplished, to exist or to be done precedent to and in the issuance of this Note were performed, did exist and have been fulfilled in compliance with the law. The issuance of this Note and the issue of notes of which it is a part will not cause the indebtedness of the City to exceed any applicable limitation upon indebtedness imposed by the law of the State of Illinois or any limitation imposed by any existing resolution or ordinance adopted by the City Council of the City. The total principal amount of the issue of notes of which this Note is a part does not exceed any limitation of law and does not exceed 85% of the tax to be extended in any calendar year for the purpose of the Board described above for the Board's current school fiscal year after reducing the amount of any general obligation tax anticipation notes and tax anticipation warrants previously issued against the tax to be extended for the purpose for which the issue of notes of which this Note is a part was issued for such fiscal year on behalf of the Board.

(vii) For the year 1980 a tax sufficient to produce the sum of ..... ($.....) for interest and principal for the $17,869,000 aggregate principal amount of the Special Obligation School Tax Anticipation Notes (Series of 1980—Pension and Retirement Purposes).

(b) If for any reason the amounts collected from the taxes so levied, together with other moneys available for the purpose, shall not be sufficient to pay, when due, the principal of and interest on any issue of the Notes, the City Council of the City shall, by ordinance(s), and pursuant to the Act, provide for the levy and collection of additional direct annual taxes upon all the taxable property in the City, without limitation as to rate or amount, sufficient for such purpose in each year until such principal and interest is paid.

(c) The taxes provided by this Section to be levied and collected shall be in addition to all other taxes heretofore or hereafter levied and collected by the City or the Board for any purpose.

(d) After the adoption of this Ordinance and the subsequent ordinance(s) awarding sale of the Notes and specifying the amounts of the tax levies, and after adoption of an ordinance(s) adopted as provided in paragraph (b) of this Section, the City Clerk of the City is directed to file a copy of such ordinance(s) duly certified by the City Clerk, in the offices of the County Clerks of Cook County, Illinois, and DuPage County, Illinois. Upon such filing it shall be the duty of each such county clerk to extend the taxes provided for in such ordinance(s), including an amount to cover cost and loss of collection and also deferred collections thereof and abatements in the amounts of such taxes as extended upon the collector's books, against all of

the taxable property within the City. Such taxes shall be computed, extended and collected in the same manner as it now or may hereafter be provided for the computation, extension and collection of taxes for general purposes of the City or the Board.

(e) From and after the issuance of the Notes, it shall be the duty of the County Clerks of Cook and DuPage Counties, Illinois, in computing the tax rates for extension in 1981 for the specific purposes of the Board with respect to which the Notes were issued, to reduce the tax rate in such year for each specific purpose by the percent necessary so as to reduce the amount of such taxes collectible for such year by the amount extended to pay the principal of and interest on the Notes issued with respect to such specific purpose.

(f) The City Clerk is authorized and directed to cause a certified copy of this Ordinance and the subsequent ordinance(s) awarding sale of the Notes and specifying the amounts of the tax levies to be filed with the county collectors of DuPage and Cook Counties, Illinois. Upon such filing, each such county collector is directed to pay upon receipt the proceeds of each tax levied by this Ordinance and such subsequent ordinance(s) directly to the Trustee, for deposit by the Trustee in the Note Account relating to the issue of Notes with respect to which each such tax was levied. Should any such taxes be paid by the collector to the City or the Board (other than under paragraph (g) below) the City or the Board shall immediately pay such amounts to the Trustee. The City Comptroller is authorized and directed to execute an agreement on behalf of the City with the Board, the City Treasurer, the City Treasurer as ex officio Board Treasurer, the Trustee and the Cook County collector directing such collector to pay directly to the Trustee a portion of the first payment of the estimated taxes received by such collector in 1981 sufficient to pay the principal of and interest on the Notes coming due May 1, 1981, in order to implement and carry out the provisions of the Act, this Ordinance and the Resolution.

(g) Upon each issue of the Notes being paid in full as to both principal and interest, or upon there being deposited in the Note Account for such issue amounts sufficient so to pay such Notes, the Trustee shall give notice of that fact to each such county collector. After receipt by the collector of that notice, all taxes levied by this Ordinance with respect to such issue of Notes shall be paid by the collector to the City and by the City paid to the Board for the purposes for which such issue of Notes was issued. No levy of taxes by this Ordinance shall be abated upon the payment of an issue of the Notes.

(h) While any Notes of an issue of the Notes remain outstanding and unpaid, the tax levy made by this Ordinance or by any ordinance(s) adopted as provided in paragraph (b) of this Section, with respect to such issue of Notes shall be for the sole benefit of the Holders of such issue of Notes and such Holders shall have and are granted a security interest in, and a lien on all rights, claims and interest of the City arising pursuant to the levy and all present and future proceeds of such levy. The security interest and lien granted by this paragraph is valid and binding from the time the Notes are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to the claims of, all other parties having claims of any kind in contract, tort or otherwise against the City, the Board, the State, the City of Chicago School Finance Authority, or any other authority or board now or subsequently established by the State for the purpose, among others, of providing financing to the Board, or any other persons, irrespective of whether such other parties have notice of such lien or security interest.

SECTION 7. *Board Notes.*

(a) All advances from the City to the Board of the proceeds of each issue of the Notes, including payment of Costs of Issuance, shall be evidenced by Board Notes in an equal principal amount to that issue of Notes. The Board Notes issued by the Board with respect to the advances of the proceeds of each issue of Notes shall be dated, mature and bear interest, on the same dates and in the same amounts, at the same rates and upon the same terms as with regard to such issue of Notes. The Board Notes are described in more detail in the Resolution. The Board Notes are direct general obligations of the Board payable from any funds of the Board not prohibited by law for payment of principal of and interest on Board Notes. The full faith and credit of the Board shall be pledged for the payment when due of the principal or and interest on the Board Notes.

(b) The City pledges and assigns for the benefit of the Holders of each issue of the Notes, the Board Notes issued to evidence the advances of the proceeds of such issue as security for the obligations of the City, under this Ordinance, to pay the principal of and interest on the Notes. The assignment of each Board Note shall be executed on the Board Note by the City Treasurer and delivered by him to the Trustee, which assignment shall be acknowledged by the Board.

(c) All payments or prepayments of principal of and interest on each Board Note shall be contemporaneously applied upon receipt, and are pledged and assigned to payment or prepayment of the issue of Notes for which it was pledged and assigned as security. The pledge and assignment by the Board and payments or prepayments of Board Notes shall be security for and a source of payment of the issue of Notes to which they relate but shall not by themselves constitute payment of such issue of Notes, and the assignment shall not discharge the obligation of the City to apply the monies specified in paragraph (j) of Section 3 of this Ordinance to cause the principal and interest on the Notes to be paid or prepaid.

(d) To the extent that any issue of the Notes is paid or prepaid as to principal or interest, in whole or in part, from any funds, the obligation of the Board to pay principal of and interest on the Board Notes relating to such issue of Notes shall be discharged to the extent of such payment or prepayment. Upon payment or discharge in full, the Board Notes shall be cancelled and returned by the Trustee to the Board.

SECTION 8. *Available Revenues.*

(a) As further security for the obligation of the City, as provided in this Ordinance, to pay principal of and interest on the Notes, the City pledges and assigns to the Holders of the Notes, and grants to the Holders of the Notes, a lien on and security interest in all the City's right, title and interest in and to Available Revenues, all as provided in this Ordinance. The City Clerk is authorized and directed to cause certified copies of the Resolution and this Ordinance, and of the subsequent ordinance(s) of the City awarding sale of the Notes, to be filed with the State Officials and to receive from the State Officials an acknowledgement of receipt of such filing and of their obligations under the Act. Such filing shall be notice to the State Officials of the pledge and assignment of, security interest in and lien on the Available Revenues as created by the Resolution and the Ordinance.

(b) The State Officials are authorized and directed to continue to pay and cause to be paid all such Available Revenues to or for the benefit of the Board, the same as if there had been no

such pledge and assignment of and grant of a lien on and security interest in the Available Revenues, unless and until either of the following events occurs:

(i) if on the thirty-fifth (35th) day prior to any date on which any payment of principal of or interest on any issue of Notes is due, the monies on deposit in the Note Account with respect to such issue of Notes are insufficient to make such payment then coming due, then the Trustee shall deliver written notification of that fact to the State Comptroller. The notification shall certify the amount by which the monies in such Note Account are insufficient to make such payments. The Trustee shall from time to time deliver additional written notifications to the State Comptroller certifying any additional amounts needed to make such payments then coming due. The State Officials are directed, from and after the receipt by the State Comptroller of one or more notifications with respect to one or more issues of Notes, to pay and cause to be paid all Available Revenues, up to the total amount of the deficiencies specified in all such notifications delivered by the Trustee, for the benefit of the Holders of such issues of Notes, directly to the Trustee for deposit in the Available Revenues Account to be held in trust and applied solely as provided in paragraph (f) of Section 5 of this Ordinance.

(ii) if on or after October 1, 1980, but in any event prior to October 15, 1980, any Holders of any Notes present to the Trustee an election of such Holders to receive prepayment of the principal of and the interest on such Notes from Available Revenues as provided in Section 9 of this Ordinance, the Trustee shall then present to the State Comptroller a notification of such election. The State Officials are directed to pay and cause to be paid all the next Available Revenues, on and after the date the first notification is presented to the State Comptroller, directly to the Trustee, for the benefit of the Holders of the Presented Notes. Such amounts shall be deposited in the Presented Notes Account for use for prepaying such principal of and interest on the Presented Notes until such time as the Presented Notes are paid or prepaid in full both as to principal and interest.

In the event that Available Revenues are required to be paid by the State Officials directly to the Trustee as provided in this paragraph (b), the State Officials are authorized and directed to cause such payments to be made at the times and in the amounts as they would otherwise be payable to or for the benefit of the Board.

(c) Whenever and as long as Available Revenues are required to be paid to the Trustee as provided in paragraph (b) of this Section, no Available Revenues shall be paid except to the Trustee and none shall be paid by the State Officials directly or indirectly for any school purposes in the City except to the Trustee. It is expressly declared to the Holders of the Notes that the availability of Available Revenues for payment to the Trustee as provided in this Ordinance is subject to certain conditions, including without limitation the appropriation of such funds for the State's fiscal years beginning after June 30, 1980, and the allocation pursuant to law of State funds for school purposes to or for the Board.

(d) When there is on hand in each Note Account as to which a notification to the State Comptroller has been given as provided in subparagraph (i) of paragraph (b) of this Section, an amount sufficient to make the payments of principal of and interest then coming due on all Notes of the issue to which such Note Account relates, then subsequent Available Revenues required by such subparagraph to be paid to such Trustee under such subparagraph shall no longer be paid to the Trustee but shall again be payable by the State Officials to or for the benefit of the Board the same as before such notification. The Trustee is directed to give to the State Officials prompt notice when such amount is on hand in each Note Account.

(e) When there has been paid by the State Officials directly to the Trustee Available Revenues sufficient, with other amounts provided to the Trustee for that purpose, to pay or prepay in full the Presented Notes as provided in subparagraph (ii) of paragraph (b) of this Section, then the Trustee shall give the State Officials written notice of that fact and all subsequent Available Revenues shall again be paid to or for the benefit of the Board the same as before such notification.

(f) The pledge, assignment, lien and security interest in the Board Notes and Available Revenues made or created by the Resolution and this Ordinance are valid and binding from the time the Notes are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to the claim of all other parties having claims of any kind in contract, tort or otherwise against the City, the Board, the State, the City of Chicago School Financing Authority, or any other authority or board now or subsequently established by the State for the purpose, among others, of providing financing to the Board, or any other persons, irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest.

(g) Upon payment or prepayment in full of the Notes, both as to principal and interest, all pledges, assignments, security interests and liens under the Resolution and this Ordinance shall end.

(h) All amounts payable to or for the benefit of the Board which are not provided by this Ordinance to be paid to the Trustee shall continue to be paid to or for the benefit of the Board (or for payment of the Certificates as previously provided by resolution of the Board), all as provided by law.

(i) All pledges, assignments, liens and security interests made or given by the Resolution and this Ordinance with respect to any Note shall be irrevocable while such Note remains outstanding and unpaid as to either principal or interest, without the consent of the Holder of that Note, the Board and the City.

SECTION 9. *Prepayment.*

(a) The Notes are subject to prepayment at the option of the City, in whole or in part, at any time or from time to time, from any funds, at a price equal to the principal amount being prepaid plus accrued interest on that principal amount to the date of prepayment. The City shall promptly use all prepayments of Board Notes for prepayments under this paragraph (a) of the issues of the Notes to which such Board Notes relate. In the event that less than all of the Notes of any issue are so prepaid, they shall be prepaid in the inverse order of maturity and within a maturity by lot in any reasonable manner as determined by the Trustee. A portion of any Note may be prepaid but only in the principal amount of $1,000 or any integral multiple of that amount. The City shall give the Trustee at least 15 days notice of any such prepayment, listing the issues of Notes to be prepaid and the date the prepayment is to be made and the amounts to be prepaid, and the Trustee shall mail such notice to each Holder of the Notes to be prepaid at their last addresses, if any, appearing on the books of the Trustee as Note Registrar.

(b) The Notes shall be mandatorily prepaid, at the option of the Holder of the Notes, from Available Revenues paid to the Trustee as provided in subparagraph (ii) of paragraph (b) of Section 8 of this Ordinance. Any Holder of the Notes may elect to have his or her Notes so prepaid by presenting to the Trustee from and after October 1, 1980, but in any event prior to October 15, 1980, a notification of the election of such Holder to receive payment of

the principal of and interest on such Presented Note from payments of Available Revenues as provided in that subparagraph (ii) and in Section 34B-13 of The School Code, as amended. The Holder shall also present to and surrender to the Trustee the Presented Notes. The Trustee shall retain the Presented Notes until they are paid or prepaid in full. The Trustee shall promptly present all such notifications to the State Comptroller. The form of notification shall be substantially in the following form:

All Presented Notes shall be prepaid from such Available Revenues deposited in the Presented Notes Account at a price equal to the principal amount being prepaid plus accrued interest on that principal amount to the date of prepayment. The Presented Notes shall be prepaid in whole or in part to the extent that Available Revenues are from time to time on deposit in the Presented Notes Account. The Trustee shall apply all such Available Revenues deposited in the Presented Notes Account to such prepayment on the first business day of each month beginning November, 1980. If there are insufficient monies in the Presented Notes Account to prepay all the Notes, all such Available Revenues in the Presented Notes Account shall be applied to the prepayment of all Presented Notes of all issues of Notes, *pro rata* to the outstanding principal amount of the Presented Notes, except that prepayments shall only be made in the amount of $1,000 or integral multiples of that amount. Any such prepayment shall be made by the Trustee to the Holders of the Presented Notes in the same manner as provided for payment of interest on such Notes in Section 3 of this Ordinance. Upon any such monies being so applied by the Trustee for such prepayment then interest on the portion of the Presented Notes so prepaid shall cease to accrue and become payable as of such date.

(c) The Trustee shall give each of the Holders of the Notes written notice of the opportunity to elect to have Notes prepaid from Available Revenues by mailing each such Holder a notice of such opportunity during the month of September, 1980, and shall include in such notice a copy of the form of Notification. The failure of the Trustee to give any such notice shall not affect the rights of any Holder to elect so to be prepaid nor shall it result in any liability of the Trustee except if such failure is grossly negligent or willful.

(d) When notice has been given of prepayment of Notes in whole or in part as provided in paragraph (a) of this Section the Notes or portions of them so called the prepayment shall become due and payable on the prepayment date and the Holder, upon presentation and surrender of the Notes so to be prepaid to the Trustee, shall be paid the prepayment price. If on the prepayment date monies for the prepayment of such Notes shall have been deposited with the Trustee and notice has properly been given then interest on the Notes or portions thereof so called for prepayment shall cease to accrue and become payable as of the prepayment date. Upon such presentation and surrender to the Trustee of any Note upon its having been prepaid in part, the City shall execute and deliver to the Trustee and the Trustee shall deliver to the Holder a new Note or Notes of the same issue and maturity of an aggregate principal amount equal to the principal amount of the Notes surrendered which shall not have been prepaid.

SECTION 10. *Covenants of City.* The City covenants with the Trustee and the Holders of the Notes that while any Notes of any issue of the Notes remains outstanding and unpaid or undischarged, that:

(i) it will not assign, pledge, grant a security interest in or lien on any taxes levied with respect to such issue of Notes or Available Revenues or Board Notes or any interest of the City in any Available Revenues or Board Notes, to any person other than to a Holder of any Notes under this Ordinance;

(ii) it will take all steps, make all directions and file all documents as may be necessary to cause the Available Revenues to be paid directly to the Trustee as provided in this Ordinance and the Resolution;

(iii) it will not use or invest the proceeds of the sale of the Notes or the Board Notes or any other funds of the City in any manner which would cause the Notes or the Board Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under that Section;

(iv) it will, at its own expense, upon the request in writing of initial Holders of Notes totaling 20% or more of the total principal amount of the Notes then issued and outstanding, prepare promptly an Official Statement relating to the Notes, and shall deliver a copy of such Official Statement signed by appropriate officers of the City to each Holder of the Notes making such a request. Any Holder of Notes making such a request shall notify the Trustee of such fact and the Trustee shall promptly notify all other initial Holders of the Notes by mailing a copy of the notice to such Holders at their last known address as on the registration books kept by the Trustee. The City shall not be required to prepare and deliver an Official Statement relating to the Notes on more than one occasion.

SECTION 11. *Trustee and Proceedings.*

(a) The First National Bank of Chicago is appointed Trustee under this Ordinance. The Trustee shall signify its acceptance of the duties and obligations imposed on it by this Ordinance by a written instrument of acceptance deposited with the City and the Board prior to the first issuance of the Notes.

(b) The recitals of fact in this Ordinance, the Notes, the Board Notes and the Resolution shall be taken as the statements of the City or the Board, and the Trustee does not assume any responsibility for their correctness. The Trustee shall not be deemed to make any representations as to the validity or sufficiency of this Ordinance, the Resolution, the Notes or the Board Notes or in re-

spect of the security afforded by this Ordinance or the Resolution. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Notes or the application of the proceeds of the Notes or the application of any monies paid to the City or the Board. The Trustee shall not be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of its duties and obligations under this Ordinance, or to advance any of its own monies, unless properly indemnified. The Trustee shall not be liable in connection with the performance of its duties and obligations under this Ordinance except for its own gross negligence or willful default.

(c) The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City or the Board, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance with such advice or opinion.

(d) Whenever the Trustee shall deem it necessary that a matter be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence is specifically prescribed by this Ordinance) may be deemed to be conclusively proved and established by a certificate of an authorized officer of the City or of a State Official or of the Board, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance, but in its discretion the Trustee may in lieu of such certificate accept other evidence of such fact or matter or may require such further or additional evidence as may seem reasonable to it. Except as otherwise expressly provided in this Ordinance, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of the Ordinance by the City or a State Official to the Trustee shall be sufficiently executed if executed in the name of the City or a State Official by an authorized officer.

(e) The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Ordinance. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Ordinance, and which are not due to the Trustee's gross negligence or willful default. Such payment of fees and indemnification of the Trustee shall be from available funds of the City. The Trustee shall have no right to use any amounts in the Debt Service Fund, or to have any set-off, lien or other right to any such amounts for such purposes.

(f) The Trustee may buy, own, hold and sell (including acting as an underwriter in respect of) any Notes or other bonds or notes of the City or Board or any other body whether previously or subsequently issued or created or bonds or notes payable from rental obligations of the City or the Board; and may engage or be interested in any financial or other transaction with the City or the Board, with like effect and with the same rights it would have if it were not such Trustee.

(g) The Trustee may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than sixty (60) days' written notice to the City and publishing notice of the resignation, specifying the date when such resignation shall take effect, once in a daily newspaper of general circulation in the City of Chicago. Such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in a paragraph (h) of this Section, in which event such resignation shall take effect immediately on the appointment of the successor.

(h) In case at any time the Trustee shall resign or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the City covenants and agrees that it will then by ordinance appoint a successor Trustee. The City shall publish notice of any such appointment made by it in a daily newspaper of general circulation in the City, such publication to be made within twenty (20) days after such appointment. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 11 within forty-five (45) days after the Trustee shall have given to the City written notice, as provided in paragraph (g) of this Section, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or any Holder of the Notes may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee. Any Trustee appointed under the provisions of this paragraph (h) in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association doing business and having its principal office in the City of Chicago, State of Illinois, and having a capital and undivided surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Ordinance.

(i) Any successor Trustee appointed under this Ordinance shall execute, acknowledge and deliver to its predecessor as Trustee, and also to the City, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all monies, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the City or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property or right held by it under this Ordinance, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this Ordinance. Should any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Comptroller of the City.

(j) The Trustee shall have all the rights, duties and powers as provided in other sections of this Ordinance. In addition, the Trustee shall have power, in its sole discretion, but shall not be obligated to bring any legal proceedings on behalf of any Holders of the Notes to enforce the provisions of this Ordinance or of any security for the Notes as provided by this Ordinance, but this provision shall not exclude any Holder of the Notes from bringing any such legal proceeding in his or her own name.

(k) The Trustee and any Holder of the Notes may bring any legal proceedings to compel the performance of any person with the obligations, duties and responsibilities imposed under the Act, the Resolution, the Ordinance, the Board Notes or the Notes. Those legal proceedings may include, without limitation, actions for injunctive relief or for a writ or writs of mandamus. It shall not be necessary in order for any such proceeding to be brought that the Notes have not then been paid as to principal or interest then due or that the Notes have not then been prepaid as required pursuant to the mandatory prepayment provisions of Section 9 of this Ordinance.

SECTION 12. *Appropriations.* This Ordinance shall constitute an appropriation of the proceeds of the sale of the Notes for the purpose of making advances to the Board paying Costs of Issuance all as provided in this Ordinance.

This Ordinance shall also constitute an appropriation of (a) the amounts payable to the City as principal of and interest on the Board Notes and (b) all amounts required to be deposited and all interest and investment income in the Debt Service Fund, for the purpose of making paying or prepayment of the principal of and interest on the Notes, in each case all as provided in this Ordinance. This Ordinance shall constitute an appropriation of all taxes levied by this Ordinance which as provided by this Ordinance are to be paid to the Board.

SECTION 13. *Sale of Notes.* The Notes shall be sold in such manner, at such price, upon such terms, to such purchasers and bearing such interest as shall be determined by subsequent ordinance(s) of the City.

SECTION 14. *Not Debt of State.* The Board Notes and the Notes are not debts of the State. The Notes shall contain a statement on their face that they are not debts of the State.

SECTION 15. *Contract.* The Notes and this Ordinance shall constitute contracts between the City, the Board, the Trustee and the Holders of the Notes at all times while the Notes are outstanding and unpaid as to either principal or interest.

SECTION 16. *Officer Direction.* The Mayor, Clerk and other proper officials of the City are authorized and directed to do all things necessary or advisable to implement the terms of this Ordinance, in order to cause the Notes to be issued as provided in this Ordinance.

SECTION 17. *Effectiveness.* It is declared that it is urgent that this Ordinance become effective immediately. This Ordinance is effective immediately upon its adoption. All motions, resolutions or ordinances or parts of motions, resolutions or ordinances of the City, if any, in conflict with this Ordinance are, to the extent of any such conflict, repealed.

At this point in the Proceedings, Honorable Jane M. Byrne, Mayor, relinquished the Chair to President Pro Tem. Alderman Edward R. Vrdolyak.

Whereas, The amount of taxes levied by the City Council of the City of Chicago for the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, for the calendar year 1979, for educational purposes and for building and maintenance purposes and the purchase of grounds is equal to the product of the value of the taxable property in the district as ascertained by the last assessment for State and county taxes previous to the passage of the Annual Budget of the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, for the Fiscal Year Ending, June 30, 1980, multiplied by the maximum percent or rate of tax which the corporate authorities of the city are authorized by law to levy for that current fiscal year for those purposes; and

Whereas, Section 643 of Chapter 120 of the Illinois Revised Statutes, as amended, provides that each county clerk shall estimate and determine the rate percent upon the assessed valuation of the property in the respective taxing districts and special service areas established pursuant to Article VII of the Constitution of the State of Illinois, in his county that will produce, within the proper divisions of such county, not less than the net amount of the several sums that will be required by the county board or certified to him according to law; and provides that in determining the amount of maximum tax authorized to be levied by any Statute of this State, the assessed valuation of the current year of property as assessed and reviewed by the local assessment officials or the Department, as the case may be, and as equalized or confirmed by the Department, shall be used; and provides that if the amount of any tax certified to the county clerk for extension shall exceed the maximum allowed by law, determined as above provided, such excess shall be disregarded, and the residue only treated as the amount certified for extension; and,

Whereas, The statutory provisions described above provide for the reduction of those taxes levied by the City Council of the City of Chicago for the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, for the calendar year 1979, for educational purposes, for the building and maintenance purposes and the purchase of grounds, for the purpose of providing monies for the payment of the principal of and interest on Working Cash Fund Bonds, Series 1967, for the purpose of providing monies for the payment of the principal of and interest on Working Cash Fund Bonds, Series 1978, and for the purpose of providing monies for the payment of the principal of and interest on Building Bonds 1974, to amounts which, together with monies allocated from Personal Property Tax Replacement Fund revenues are expected to be approximately equal to the respective amounts originally levied by the City Council of the City of Chicago for the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, for the calendar year 1979, for such community college purposes; and,

Whereas, There are no statutory provisions which will reduce those taxes levied by the City Council of the City of Chicago for the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, for the calendar year 1979, for the purpose of providing monies for the payment of the expenses of operation and maintenance of Public Building Commission Skill Center Project SC-1 and for the purpose of providing monies for the payment of the annual rental under the terms of the lease entered into by and between the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, and the Public Building Commission of Chicago, providing for the leasing of Skill Center Project SC-1 from the Public Building Commission of Chicago; now, therefore,

The following is said resolution as adopted:

WHEREAS, Cesar Chavez and the United Farm Workers have returned to Chicago to seek support for their nationwide boycott of "Red Coach" label iceberg lettuce; and

WHEREAS, The migrant and seasonal farm workers who have organized through the UFW help feed America and much of the world and yet are among the nation's poorest workers; and

WHEREAS, Since passage of California's historic collective bargaining law for farm workers, the UFW, under the leadership of Cesar Chavez, has won overwhelming victories in state-conducted secret ballot elections and has signed over 200 contracts with growers; and

WHEREAS, In January, 1979, farm workers walked off their jobs after lettuce growers, including Bruce Church, Inc., which produce "Red Coach" label iceberg lettuce, refused to negotiate in good faith over worker demands to escape from extremely low wages and fringe benefits, and improve health and safety conditions; and

WHEREAS, Bruce Church, Inc., the nations largest lettuce producer and the biggest grower refusing to come to terms with its workers, is leading the pack of anti-union lettuce producers resisting their workers' just contract demands; and

WHEREAS, Bruce Church, Inc. and other lettuce growers have broken the farm workers' strike by illegally importing undocumented alien strikebreakers from Mexico and Central America and brutalizing picketing workers with heavily armed private security guards, including members of the Ku Klux Klan; and

WHEREAS, On February 10, 1979, 28 year old UFW striker Rufino Contreras, the father of two young children, was brutally shot to death by three grower foremen at a struck lettuce field in California's Imperial Valley; and

WHEREAS, California's Agricultural Labor Relations Board, a government agency that enforces the state farm labor statute, has filed massive charges against Bruce Church, Inc. and other lettuce growers for "failing and refusing" to bargain in good faith with the farm workers; and

WHEREAS, Bruce Church, Inc. is leading right wing reactionary forces seeking to cripple the state's landmark farm labor law; and

WHEREAS, The farm workers and Cesar Chavez are once again turning to their last nonviolent tool—the nationwide consumer boycott—with an appeal to consumers to boycott Bruce Church, Inc.'s "Red Coach" label iceberg lettuce; and

WHEREAS, "Red Coach" label iceberg lettuce has been sprayed with dangerous pesticides that are known to cause birth defects in rats and may affect human beings; and

WHEREAS, The labor movement, church groups, students, the city councils of San Francisco and New York, and many others have joined to support the United Farm Workers' current boycott efforts; and

WHEREAS, Chicago is the third largest market for lettuce in the world; and

WHEREAS, More "Red Coach" Lettuce is sold in Chicago than anywhere else in the world; now, therefore,

Be It Resolved, That the City Council of the City of Chicago endorse and supports the farm workers' boycott of "Red Coach" label iceberg lettuce; and

Be It Further Resolved, That the City Council calls on all Chicagoans to pass up "Red Coach" label iceberg lettuce until Bruce Church, Inc. bargains in good faith; and

Be It Further Resolved, That appropriate city officials ensure that all city institutions honor this resolution by refusing to handle "Red Coach" label iceberg lettuce.

WHEREAS, In the past the Communists of the Soviet Union in an attempt not to glorify the individual but to glorify the State have in Nero fashion corrupted the very purpose of the games; and

Be It Resolved, That the Chicago City Council in meeting this 31st day of January, 1980 does call upon the President of the United States to use his best efforts and follow the lead of the Emperor Theodosius 1500 years ago, and declare that for this Olympiad the United States athletes will not compete in Moscow and use his influence to have the Olympic Games played in a more favorable climate.

WHEREAS, Alderman Aiello was a dedicated and hard working public servant his entire life, having served the past 15 years as Alderman of the 36th Ward on the northwest side of the City of Chicago; and

WHEREAS, Alderman Aiello served with distinction on the Committee on Local Industries, Streets and Alleys, having served as Chairman since 1971 and in so doing worked tirelessly for the betterment of the City of Chicago; and

WHEREAS, Alderman Aiello's tireless efforts in the blizzard of '79 will long be remembered as a typical example of his leadership, dedication and hard work. During the blizzard, the 36th Ward, through his personal supervision, was one of the first wards in the City to have all major streets cleared of snow; and

WHEREAS, Alderman Aiello served with distinction as a delegate to the Democratic National Nominating Convention in the year of 1976; and to the Mid-Year Convention of 1974; and

WHEREAS, Alderman Aiello, as a result of the aforementioned leadership, will long be remembered as an outstanding political leader and civic minded citizen; and

Be It Resolved, That the Mayor of the City of Chicago, and the Members of the City Council in meeting, assembled this 14th day of February, 1980, do hereby express their deep sorrow at the passing of Alderman John F. Aiello, and extend their deepest and sincerest condolences to his family.

Be It Further Resolved, That a suitable copy of this Resolution be presented to the family of Alderman John F. Aiello.

Alderman Frost moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Frost (seconded by Aldermen Laurino, Roti, Mell, Hagopian, Oberman, Marcin, Casey, Sawyer, Cullerton, Pucinski, Burke, Barnett, Gabinski and Natarus) the foregoing proposed resolution was *Adopted*, unanimously, by a rising vote.

In their remarks, the aldermen spoke of the dedication, loyalty and helpfulness which were hallmarks of the late Alderman Aiello's character. Recognized for his devotion to God, his family, the City of Chicago and the 36th Ward, the late Alderman was also praised for his humbleness. In addition to lauding him for his willingness to assist new members of the Council, the aldermen also noted that throughout an entire life dedicated to public service, he was uncompromising in maintaining the highest standards of integrity. The aldermen agreed that though he was a man of few words, he was a man of action. All extended their condolences to the family and declared that all had lost a good friend and a dedicated public servant.

Honorable Jane M. Byrne, Mayor, thereupon addressed the Council, paying tribute to the late Alderman not only for his personal integrity but also for the fine example he had given his colleagues as a sincere and dedicated public servant. In speaking of the depth of his commitment to public service in general and to the City of Chicago in particular, Mayor Byrne also revealed that even though gravely ill, the late Alderman had expressed to her a readiness to serve the City as the Council's representative at critical meetings. That, she noted, was the mark of John F. Aiello. In closing the Mayor then noted that the City of Chicago, and her family, owed very much to the late Alderman, and promised that the debt would not be forgotten. The Mayor then introduced family members of Alderman Aiello who were present for the memorial service.

Final Musical Selection.

Maestro Franz Benteler, together with his accompaniest, presented a final musical selection.

Taps Sounded for Late Alderman Aiello.

While all in the Council Chamber stood, a Chicago Police Officer played "Taps" in honor of the late Alderman John F. Aiello, who had served his country with distinction as a member of the Armed Forces.

ADJOURNMENT.

Thereupon, Alderman Burke moved that the City Council do *Adjourn Sine Die.* The motion *Prevailed* and the City Council *Stood Adjourned.*

A permanent easement is hereby granted in parcels A, C, and E shown on the attached plan (marked Exhibit 1) and described more particularly in Exhibit 2 attached hereto and made a part hereof to permit the construction of public thoroughfare from ground level to the surface of Damen Avenue (and other plans required for construction of alternative A referred to in the attached multi-party Agreement).

Grantee shall utilize parcel C for construction of bridge consisting of ramp of steel and reinforced concrete from ground level to surface of Damen Avenue (see legal description C) approximately 650 feet lengthwise. Parcel E shall consist of a roadway constructed on fill beneath the existing superstructure of the bridge (See legal description E of Exhibit 2). Parcel A shall consist of a ramp departing and descending from a slip lane northbound on the east side of Damen Avenue at a point between the Stevenson Expressway and the west fork of the south branch of the Chicago River (See legal description A of Exhibit 2).

An easement is hereby granted in parcels B and D of the attached plan (marked Exhibit 1) and described more particularly in the attached legal descriptions (marked Exhibit 2) for the purposes of maintaining above ramp structures in parcels A and C. Grantor shall not construct or operate any permanent facility or structure in parcels B and D which shall interfere with Grantee's rights herein granted.

The grant aforesaid is made solely upon the conditions and limitations hereinafter contained, and the Grantee, by its acceptance of the said grant, accepts such conditions and limitations and agrees to the full, strict and prompt observance and performance thereof.

1. The easement granted in this indenture is limited to the uses and purposes hereinbefore expressed and for no other purpose whatever.

2. The Grantor reserves to itself, its grantees (other than the Grantee named in this indenture), licensees, lessees, successors and assigns, the right not only to continue to keep and use or operate all tracks and other facilities or structures now upon or beneath the surface, or above, the said described premises including but not limited to the car repair shop and air compressor building under Damen Avenue Viaduct, but also the right to install and use or operate additional tracks, facilities and structures upon and beneath the surface of and above the said described premises. 3. The Grantee shall, without charge or assessment therefor against the Grantor or the Grantor's property, perform all work and furnish all material necessary for the construction, maintenance or reconstruction of the structure, and make or cause to be made any changes or alterations in the location or construction of the Grantor's facilities that may be made necessary by this grant or by the location, construction, or use of the Structure. The Grantee shall also assume and pay all expense incurred by the Grantor incident to, or as a result of, the exercise of this grant.

4. Neither the Grantor nor its property shall be subjected to any charge, assessment, or expense, arising from, growing out of, or in any way attributable to, the construction, maintenance, use or operation of the Structure, whether within or without the confines of Grantor's property, nor for any crossing protection thereat, nor for any highway improvement thereon if this easement is for roadway purposes. If the Grantor or its property is legally subjected to any such charge, assessment, or expense, the Grantee shall pay Grantor, as additional compensation for the rights granted in this indenture, an amount of money equal to any such charge, assessment or expense paid by the Grantor.

5. The Grantor hereby conveys and grants the aforesaid permanent easement to the Grantee so far as it lawfully may.

6. If any work to be performed by or for the Grantee is let by contract, the Grantee shall require each contractor before coming upon the Grantor's tracks or wayland, to obtain from the Grantor's authorized representative permission for occupancy and use of the premises and to ascertain and comply with the Grantor's requirements for clearances, operation, and its general safety regulations. The Grantor may furnish each contractor, at such contractor's sole cost and expense, protective services and devices, including, but not limited

to, switchtenders, flagmen, or watchmen as the Grantor may deem desirable for the safety and continuity of railroad traffic during the work. Each contractor shall be required by the Grantee to reimburse the Grantor promptly upon receipt of bill for such protective services and devices furnished to the contractor.

The public policy shall name the Chicago Intermodal Company as the insured and shall include an endorsement in the form appearing in the Standard Provisions attached to and made a part of this indenture, The Grantee shall require each contractor to furnish to the Grantor the Protective policy and certificates evidencing the other insurance coverage required in this Section. The Protective policy and all insurance certificates shall be subject to the Grantor's approval before any work may be started on the Grantor's property by any contractor.

8. If the public use of the easement on the premises described in this indenture for the purposes expressed in it shall be abandoned or discontinued, or if the Grantee violates any provision of this indenture, the said easement shall thereupon cease and determine, and the Grantee shall surrender or cause to be surrendered to the Grantor, or its successors or assigns, the peaceable possession of the said described premises, and title to the said premises shall remain in the Grantor, or its successors or assigns, free and clear of all rights and claims of the Grantee and of the public for use and occupancy of the said premises. Full and complete title, ownership and use of Grantor's premises and of the portions thereof herein involved are reserved to Grantor, its successors or assigns, subject to the right, permission and authority herein expressly granted in this indenture. Upon termination of the easement for any reason, the Grantee shall restore the Grantor's premises to a like condition as at present, insofar as such restoration may in the opinion of the Grantor's duly authorized representative be practicable.

9. Subject to the provisions of the foregoing Section 8, this indenture and the conditions contained in it shall run with the land and be binding upon the respective grantees, licensees, lessees, successors and assigns of the parties.

In Witness Whereof, the Grantor has caused this indenture to be signed and its corporate seal affixed by its proper, duly authorized officers as of the 6th day of November, 1979.

Authorization and Payment of Bond

SECTION 3. That for the purpose of financing a portion of the cost of the Project there shall be and there is hereby authorized to be issued by the Issuer its Industrial Revenue Bond, Series 1980 (Crawford Steel Co., Inc. Project), in the principal sum of $900,000, dated the first day of the month in which the Bond is delivered to the purchaser thereof (except a Bond issued in exchange for the unredeemed portion of the Bond which shall be dated as of the first day of the month in which issued), payable to the order of American National Bank and Trust Company of Chicago, or its assigns, bearing interest on the unpaid principal installments thereof at the rate of eight percent (8%) per annum, computed as if each calendar year consisted of 360 days and a full calendar month consisted of 30 days, payable in 240 consecutive equal monthly installments of $7,527.96, including principal and interest, payable on the first day of the calendar month following the delivery of the Bond and on the first day of each calendar month thereafter, as set forth in Exhibit A attached hereto and made a part hereof, except as the provisions hereinafter set forth with respect to redemption prior to maturity may become applicable thereto. In any event, the final maturity of principal of the Bond shall be no later than February 1, 2001. The Bond shall bear interest on any overdue amount of principal or interest at the rate of ten percent (10%) per annum until paid, to the maximum extent permitted by law.

The principal installments of and interest on the Bond shall be payable to American National Bank and Trust Company of Chicago, or its assigns, in lawful money of the United States of America at the principal office of American National Bank and Trust Company of Chicago in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of each installment of principal (whether at maturity, upon redemption or acceleration) and interest theretofore paid and not yet noted thereon and, upon request of the Land Trust or the Issuer, the Bond shall be made available by the holder for inspection by the Land Trust or the Issuer at the principal office of American National Bank and Trust Company of Chicago in Chicago, Illinois. At least annually the Bank shall notify the Issuer of the payment of the principal installments of the Bond (whether at maturity, upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Bond.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note, a mortgage on and security interest in the Project in favor of the Bank and an assignment to the Bank of rents from the leasing of the Project and shall be payable solely from the revenues and receipts derived from the Agreement and the Note authorized to be issued thereunder (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note.

The principal installments of the Bond shall be subject to redemption prior to maturity at the option of the Issuer from any available funds, including funds derived from the prepayment of the Note by the Land Trust pursuant to Section 7.1 of the Agreement or borrowed funds, on any monthly installment payment date, in whole, or in part by installment in the inverse order of maturity of the principal installments of the Bond, at a redemption price of par plus accrued interest to the date fixed for redemption and without premium.

Upon the receipt by the Issuer and the Bank of at least 30 days prior written notice from the Land Trust specifying a date for the prior redemption of principal installments of the Bond, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the preceding paragraph. All principal installments of the Bond designated for prior redemption shall cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at American National Bank and Trust Company of Chicago on such date. If the principal installments of the Bond are redeemed prior to maturity in part and not in whole, the Bank or any other holder of the Bond shall surrender the Bond to the Bank in exchange for a new Bond in the amount of the unpaid principal amount on the Bond, a new amortization schedule with respect to the Bond setting forth the amount of the monthly installment payments to be made on the Bond after the date of such partial redemption and the unpaid principal balance of the Bond after each such installment payment, and a new Schedule A.

The Bond may be prepared in typewritten, printed or engraved form.

The Bond shall be signed by the Mayor by her manual signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the City Comptroller by his manual signature, and the corporate seal of the Issuer shall be affixed thereto.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case the Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of principal (whether at maturity, upon redemption or acceleration) and interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Cook County, Illinois, Bond Fund (Crawford Steel Co., Inc. No delay or omission to exercise any right, power or remedy accruing upon any event of default hereunder shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section, under the provisions of Article VI of the Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bank acting on its own behalf as the owner of the Bond or on behalf of any other owner of the Bond) or under the Mortgage, and all moneys in the Acquisition and Improvement Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal and interest due and unpaid upon the Bond to the person entitled thereto.

WHEREAS, The Issuer is further authorized by the Enabling Ordinance to issue its revenue bonds payable solely from the revenues and receipts derived from such projects, and secured by a pledge of said revenues and receipts and by a mortgage on such projects, and the Enabling Ordinance provides that such revenue bonds shall have a lien on the revenues and receipts derived from such projects; and

WHEREAS, The Issuer proposes to issue and sell its $4,000,000 principal amount Industrial Development Revenue Bond, Series 1980 (Selfix, Inc. WHEREAS, The Borrower has represented that the cost of the Project will not be less than $4,000,000, and in order to finance a portion of said cost it is necessary and advisable that provision be made for the issuance, sale and delivery of the Series 1980 Bond in the principal amount of $4,000,000, all as authorized and permitted by the Enabling Ordinance; and

represented by the Borrower to be sufficient, together with other moneys of the Borrower, to accomplish the purposes of the Enabling Ordinance, to wit: to finance in whole or in part the cost of acquisition, purchase, construction, rehabilitation, redevelopment or extension of any industrial development project in order to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City; and

2. The Pledge and Assignment, dated as of February 1, 1980, from the Issuer, as assignor, to the Bond Purchaser (and all who may at any time own any bonds of the Issuer issued hereunder or pursuant hereto), as assigneer, and

3. The Fiscal Agent Agreement, dated as of February 1, 1980, by and between the Issuer, as principal, and the Fiscal Agent, as agent for the Issuer; and

WHEREAS, It appears that the instruments above referred to which are now before this meeting are in appropriate form and are appropriate instruments to be executed and delivered by the Issuer for the purposes intended; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Definitions.* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Acquire, Refurbish and Equip the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be less than $4,000,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition, refurbishing and equipping of the Project by the Issuer through a loan of the proceeds derived from a sale of the Series 1980 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the Cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1980 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the Cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1980 Bond of the Issuer.

The principal of, Premium, if any, and Interest on the Bonds shall be secured by and shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Rights), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the Instruments (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the principal of, Redemption Premium, if any, and Interest on the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, Premium, if any, and Interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof. The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to any Owner thereof, or to any duly authorized representative of said Owner, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the Instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf, from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf, on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in each such year to pay the principal of, Premium, if any, and Interest on the Series 1980 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an industrial development project within the meaning of the Enabling Ordinance.

SECTION 4. *Description and Details of the Series 1980 Bond.* The Series 1980 Bond shall be issued in fully registered form in the name of the Bond Purchaser, shall be numbered R-1, and shall be in the denomination of $4,000,000. The Series 1980 Bond

shall be dated the date of its issuance and delivery, and shall bear Interest on the unpaid principal balance thereof from said date at the rate of 8.875% per annum payable on February 1, and August 1 of each year until the maturity thereof, commencing on August 1, 1980. The Series 1980 Bond shall mature on February 1, 1992.

The principal of the Series 1980 Bond shall be payable in installments on February 1 of the years and in the amounts, all as set forth below:

1983	350,000
1984	350,000
1985	350,000
1986	400,000
1987	400,000
1988	400,000
1989	400,000
1990	450,000
1991	450,000
1992	450,000

Upon payment or prepayment of the principal of the Series 1980 Bond, the Owner thereof shall note such payment on the Schedule of Payments attached thereto and made a part thereof. The Owner of the Series 1980 Bond shall have the right to exchange the Series 1980 Bond, at the expense of the Borrower, for typewritten fully registered Bonds in denominations no smaller than the remaining principal installments due on the Series 1980 Bond.

The principal of the Series 1980 Bond, and any Redemption Premium and Interest thereon, shall be payable in lawful money of the United States of America at the office of the Owner thereof.

No Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor," as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. The term "Institutional Investor" as used herein means a bank, savings and loan association, insurance company or other financial institution which has a combined capital, surplus and undivided profits of at least $25,000,000. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the Borrower. Each Bond shall bear on the face thereof the legend: "No sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the Bond Ordinance, and then only for the investment account of such Institutional Investor."

SECTION 5. *Prepayment of the Principal of the Series 1980 Bond.* The principal installments of the Series 1980 Bond, over and above the payments required to be paid an annual basis as set forth in Section 4 hereof, shall be subject to prepayment at any time, on the occurrence of any of the events set forth in Section 7.1 of the Loan Agreement, by the Issuer at the option of the Borrower in while (or in the case of prepayment pursuant to any condemnation award, or sale under threat of condemnation, in whole or in part in inverse order of their due dates prior to the stated maturity thereof), but only after giving the notice specified in Section 6 of this Bond Ordinance, at an amount equal to the sum of the following:

(1) an amount of money which will be sufficient to prepay all, or the appropriate portion, of the principal of the Series 1980 Bond to be redeemed on the next applicable redemption date, including, without limitation, all Interest to accrue to said date, the applicable Premium, if any, and the expenses incurred or to be incurred in connection with the prepayment of the indebtedness hereunder and the prepayment of the Series 1980 Bond,

(2) an amount of money equal to the fees, charges and expenses of the Issuer, the Fiscal Agent and the Owner of the Series 1980 Bond, if any, accrued and to accrue until the prepayment date, and

(3) an amount of money sufficient to discharge all other liabilities of the Borrower accrued under the Instruments.

In addition, the principal installments due on the Series 1980 Bond shall be subject to prepayment by the Issuer at the option and written direction of the Borrower in whole, or in part on any principal payment date, and if in part then in the inverse order of their due dates and within any installment by lot, but only after giving the notice specified in Section 6 hereof, at the redemption or prepayment price of par plus accrued Interest to the redemption date.

Upon the giving of notice to the Owner of the Series 1980 Bond at that time, all or any portion of the Series 1980 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the Owner of the Series 1980 Bond at that time, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Series 1980 Bond by the Owner thereof at that time, and irrespective of any error or omission in such endorsement.

Should there occur a "Determination of Taxability," (as defined in Section 7.3 of the Loan Agreement) (1) the interest on the Series 1980 Bond shall then be computed from the date of the "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) and thereafter at 125% of the rate per annum being announced from time to time by Continental Illinois National Bank and Trust Company of Chicago for 90 day unsecured loans made at its banking house in Chicago, Illinois to commercial customers of the highest credit rating (the "prime rate"), and the Borrower shall pay (i) an amount necessary so that any and all who shall have owned the Series 1980 Bond at any time after an "Event of Taxability," as herein defined, shall have received Interest on the Series 1980 Bond at the rate described above for the period of their ownership elapsed between the Event of Taxability, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an Event of Taxability may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable; or (2) at the election, by written notice to the Borrower, of the Owner of the Series 1980 Bond, the Borrower shall pay to the Owner of the Series 1980 Bond an amount equal to the unpaid principal amount of the Series 1980 Bond, plus accrued Interest thereon to the redemption date, plus an amount equal to (i) the amount necessary so that all Persons who shall have owned the Series 1980 Bond at any time after an Event of Taxability shall have received Interest on the principal amount of the Series 1980 Bond then outstanding at the prime rate for the period of their ownership elapsed between the Event of Taxability, and the date of the redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned the Series 1980 Bond at any time after an Event of Taxability, may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable.

Notice having been given in the manner provided in Section 6 hereof, the Series 1980 Bond or the principal portions thereof so called for redemption or prepayment pursuant to this Section shall become due and payable on the dates so designated, at the price and upon presentation and surrender thereof (or upon presentation of proof of ownership thereof satisfactory to the Borrower) at the office specified in such notice.

All Bonds which have been redeemed shall be cancelled by the Issuer and delivered to the Borrower.

SECTION 6. *Notice of Prepayment.* Notice of any prepayment shall be given in the name of the Issuer by the Issuer or the Borrower to the Owners of the Bonds in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Each such notice shall be mailed (by certified or registered mail, postage prepaid, return receipt requested) at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, and shall specify the series and numbers of the Bonds to be prepaid, unless the giving of such notice is waived in writing by the Owners of all of the Bonds to be prepaid. Such notice shall further state that payment will be made upon presentation and surrender of the Bonds to be prepaid (or upon presentation of proof of ownership thereof satisfactory to the Borrower). Notice of any prepayment as herein provided shall be given only after written notification thereof from the Borrower to the Issuer has been given. Failure to give such notice by mailing, or any defect therein, to the Owner of any Bond designated for prepayment shall not affect the validity of the proceedings for the prepayment of any other Bond.

SECTION 7. *Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and deliver a replacement Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, to whom proof of ownership of such mutilated Bond shall also be made; provided further that in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, to whom proof of ownership of such lost, stolen or destroyed Bond shall also be made; provided further that in the case of any mutilated, lost, stolen or destroyed Bond, the Issuer and the Borrower shall be provided with indemnity reasonably satisfactory to the Issuer and the Borrower. In the event that any such Bond shall have matured, instead of issuing a replacement Bond the Issuer may pay the same or cause the same to be paid without surrender thereof. The Issuer may charge the Owner of such Bond with the Issuer's reasonable fees and expenses in connection therewith. All Bonds issued in replacement of any mutilated, lost, stolen or destroyed Bond pursuant to the provisions of this Section shall bear an endorsement in substantially the following form: "This Bond has been reissued to replace a mutilated, lost, stolen or destroyed Bond numbered ..... and dated ....., 19....."

SECTION 8. *Persons Treated as Owners.* The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of, Premium, if any, and Interest on any such Bond shall be made only to or upon the order of the Owner thereof, or his duly authorized legal representative, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Subject to the restrictions on transfer provided in Section 4 hereof, title to each Bond is transferable by the Owner thereof or by his attorney duly authorized in writing. Transferees shall be entitled at their request and cost to the issuance of new Bonds. Transfer of title to any Bond shall be effective only upon the giving of the notice required by Section 4 hereof.

SECTION 9. *Method of Execution of Bonds.* The Bonds shall be executed for and on behalf of the Issuer by the manual signature of its Mayor, and attested to by the manual signature of its City Clerk, with the seal of the Issuer impressed thereon.

SECTION 10. *Form of the Series 1980 Bond.* The Series 1980 Bond and the form of assignment attached thereto shall be in substantially the following form:

Interest shall be payable on this Series 1980 Bond on August 1, 1980, and on each February 1 and August 1 thereafter until the principal sum hereof shall have been fully paid.

The issuance of this Series 1980 Bond has been duly authorized by the Issuer, and this Series 1980 Bond constitutes the entire issue known as the "Industrial Development Revenue Bond, Series 1980 (Selfix, Inc. Project)," of the Issuer in the principal amount of Four Million Dollars ($4,000,000), authorized for the purpose of financing the acquisition, refurnishing and equipping of a manufacturing, warehouse and office facility within the corporate limits of the Issuer (the "Project"), and paying necessary expenses incidental thereto, so as to fulfill the purposes of the Enabling Ordinance, as hereafter defined, to wit: to finance in whole or in part the cost of acquisition, purchase, construction, rehabilitation, redevelopment or extension of any industrial development project in order to create a favorable climate for new and improved job opportunities for residents of the City of Chicago by encouraging the development of business, industry and commerce within the City. This Series 1980 Bond has been issued under the Bond Ordinance, as hereinafter defined, and along with the other bonds which may subsequently be issued under the provisions of the Bond Ordinance, as hereinafter defined, and any ordinance amendatory thereof or supplemental thereto (this Series 1980 Bond and such subsequent bonds being hereinafter collectively referred to as the "Bonds"), are equally and ratably secured as to principal, premium, if any, and interest pursuant to an ordinance duly adopted by the Issuer on February 29, 1980 (the "Bond Ordinance"), and are additionally secured by, among other things, a certain Loan Agreement (the "Loan Agreement"), dated as of February 1, 1980, by and between the Issuer, as lender, and Selfix Inc., an Illinois corporation as borrower (the "Borrower"), a certain Pledge and Assignment (the "Assignment"), dated as of February 1, 1980, from the Issuer, as assignor, to the Owners of the Bonds, as assignee, a certain Collateral Security Agreement (the "Collateral Security Agreement"), dated as of February 1, 1980, from the Borrower, as pledgor, to the Owners of the Bonds, as pledgee, and a certain Mortgage (the "Mortgage"), dated as of February 1, 1980, from the Borrower, as mortgagor, to the Owners of the Bonds, as mortgagee. Reference is hereby made to the Bond Ordinance, the Loan Agreement, the Assignment, the Collateral Security Agreement and the Mortgage (all of which are hereinafter collectively referred to as the "Instruments") for a description of the Project, the nature and extent of the security for the Bonds, a statement of the terms and conditions upon which the Bonds are issued and secured, the rights of the owners hereof and thereof, and the other matters set forth therein.

A loan of the proceeds of this Series 1980 Bond has been made, pursuant to the Loan Agreement, to the Borrower for the purpose of financing the Project. Pursuant to the Loan Agreement, the Borrower must pay, or cause to be paid, to the Issuer, or its assignee, such amounts as will always be sufficient in the aggregate to pay the principal of, premium, if any, and interest on the Bonds as the same mature and become due; and under the Loan Agreement, it is the obligation of the Borrower to operate and maintain the Project, or to cause the Project to be operated and maintained, in good repair, to keep it, or to cause it to be kept, properly insured, and to pay, or to cause to be paid, all taxes, assessments, depreciation charges and other charges levied or assessed against or with respect to the Project.

This Series 1980 Bond is issued under and in full compliance with the Constitution and laws of the State of Illinois, including particularly Chapter 15.2 of the Municipal Code of the City of Chicago (the "Enabling Ordinance").

No sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1980 Bond shall not be sold, transferred or assigned except to an "Institutional Investor," as such term is defined in the Bond Ordinance, and then only for the investment account of such Institutional Investor.

Subject to the preceding paragraph, this Series 1980 Bond may be sold, transferred or assigned by the owner hereof in person, or by his attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance. Upon such sale, transfer or assignment, the purchaser, transferee or assignee hereof shall be entitled, at such purchaser's transferees or assignee's expense, to the issuance of a new Bond.

The Issuer may deem and treat the party in whose name this Series 1980 Bond is registered as the absolute owner hereof for the purpose of receiving payments of, or on account of, the principal hereof, premium, if any, and interest due hereon, and for all other purposes, and neither the Issuer nor the Borrower shall be effected by any notice to the contrary, except as provided in the Bond Ordinance.

This Series 1980 Bond has been issued in fully registered form without coupons in the denomination of $4,000,000, and constitutes all of the series of the Issuer's bonds known as the "Industrial Development Revenue Bond, Series 1980 (Selfix, Inc. Project)." The owner of this Series 1980 Bond shall have the right to exchange this Series 1980 Bond, at the expense of the Borrower, for typewritten fully registered Bonds in denominations no smaller than the remaining principal installments due on the Series 1980 Bond.

The principal installments of this Series 1980 Bond, over and above the payments required to be paid on an annual basis as set forth in the Schedule of Payments attached hereto, are subject to prepayment at any time, on the occurrence of any of the events set forth in Section 7.1 of the Loan Agreement, by the Issuer at the option of the Borrower, in whole (or in the case of prepayment pursuant to any condemnation award, or sale under threat of condemnation, in whole or in part, and if in part in inverse order of their due dates prior to the stated maturity thereof), but only after giving the notice specified below, at an amount equal to the sum of the following: an amount of money which will be sufficient to redeem this Series 1980 Bond, or a portion hereof (as determined in accordance with the Loan Agreement), on the next applicable redemption date, including, without limitation, the appropriate principal amount hereof, all interest to accrue to said date, the applicable premium, if any, and expenses incurred or to be incurred in connection with the prepayment of the indebtedness evidenced hereby. In addition, the principal installments due on this Series 1980 Bond shall be subject to prepayment by the Issuer at the option of and at the written direction of the Borrower after February 1, 1982, in whole, or in part on any principal payment date, and if in part then in the inverse order of their due dates prior to the stated maturity thereof, and within any installment by lot, but only after giving the notice specified below, at the redemption price of par plus accrued interest to the redemption date.

Should there occur a "Determination of Taxability," (as defined in Section 7.3 of the Loan Agreement) (1) the interest on this Series 1980 Bond shall then be computed from the date of the "Event of Taxability" (as defined in Section 7.3 of the Loan Agreement) and thereafter at 125% of the rate per annum being announced from time to time by Continental Illinois National Bank and Trust Company of Chicago for 90 day unsecured loans made at its banking house in Chicago, Illinois to commercial customers of the highest credit rating (the "prime rate"), and the Borrower shall pay (i) an amount necessary so that any and all who shall have owned the Series 1980 Bond at any

time after an "Event of Taxability," as herein defined, shall have received Interest on this Series 1980 Bond at the rate described above for the period of their ownership elapsed between the Event of Taxability, and the date of redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned this Series 1980 Bond at any time after an Event of Taxability may have had to pay as a result of Interest on the Series 1980 Bond being deemed taxable; or (2)) at the election, by written notice to the Borrower, of the Owner of this Series 1980 Bond, the Borrower shall pay to the Owner of this Series 1980 Bond an amount equal to the unpaid principal amount of the Series 1980 Bond, plus accrued Interest thereon to the redemption date, plus an amount equal to (i) the amount necessary so that all Persons who shall have owned this Series 1980 Bond at any time after an Event of Taxability shall have received interest on the principal amount of this Series 1980 Bond then outstanding at the prime rate for the period of their ownership elapsed between the Event of Taxability, and the date of the redemption, prior transfer or prior payment, plus (ii) any penalties or interest which any Person who shall have owned this Series 1980 Bond at any time after an Event of Taxability, may have had to pay as a result of Interest on this Series 1980 Bond being deemed taxable.

The amounts referred to in the preceding paragraph shall constitute the total compensation due any owner of this Series 1980 Bond (or portion hereof) as a result of an "Event of Taxability," as defined in Section 7.3 of the Loan Agreement.

In the event any principal over and above the principal required to be paid on an annual basis, as set forth in the Schedule of Payments attached hereto, is intended to be prepaid as aforesaid, notice thereof identifying the amount of principal to be prepaid shall be given in the name of the Issuer by the Borrower or the Issuer by mailing (by certified or registered mail, postage prepaid, return-receipt requested) a copy of the prepayment notice at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, to the owner of each Bond (or portion thereof) to be prepaid at the address furnished to the Issuer and the Borrower in writing by such owner, unless such notice is waived by the owners of all of the Bonds to be prepaid; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the prepayment of principal with respect to which no such failure has occurred. The unpaid portions of the Bonds shall continue to bear interest until paid. Payment will be made upon presentation and surrender of the Bonds to be prepaid.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default," as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the Bonds then outstanding and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Ilinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happened and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1980 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1980 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. Neither the officers of the Issuer nor any person executing the Bonds shall be personally liable on the Bonds solely by reason of the issuance thereof.

SECTION 11. *Execution and Delivery of the Bonds; Deposit of Bond Proceeds; Designation of Fiscal Agent by Issuer.* The Mayor and the City Clerk of the Issuer are hereby authorized and directed to prepare and execute, in the manner hereinbefore specified, the Series 1980 Bond herein authorized, and to deliver the Series 1980 Bond to the Bond Purchaser upon receipt of the purchase price therefor, namely 100% of the principal amount thereof. Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, is hereby designated Fiscal Agent for the Issuer for the purposes of, among other things, (i) serving as the depository of the proceeds of the Series 1980 Bond as provided herein, (ii) establishing and maintaining the Acquisition Fund as provided in Section 13 hereof, and (iii) performing such other obligations and responsibilities as shall be provided in the Instruments. The rights and duties of the Fiscal Agent are further specified in Section 32 of this Bond Ordinance. The proceeds of said Series 1980 Bond shall be deposited with the Fiscal Agent and applied as provided in Section 3.3 of the Loan Agreement and Section 13 hereof.

SECTION 12. *Evidence of Signatures of Bondowners; Ownership of Bonds.* Any request, consent, revocation of consent or other instrument which this Bond Ordinance may require or permit to be signed and executed by the Owners of the Bonds may be one or more counterparts of similar tenor, and shall be signed or executed by such Owners of the Bonds in person, or by their attorneys duly appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any Person of the Bonds shall be sufficient for any purpose of this Bond Ordinance (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Issuer, the Fiscal Agent or the Borrower, which may nevertheless require further or other proof in cases where the same is deemed desirable. The fact and the date of the execution of such instruments by any Owner of the Bonds or his attorney may be proved by a guarantee of the signature thereon by a bank or trust company, or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the individual signing such request or other instrument acknowledged to him the execution thereof and exhibited before him the Bonds to which an ownership claim has been made, or by an affidavit of a witness of such execution and presentation, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association, or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond, and of any Bond issued in exchange therefor or in replacement thereof, with respect to anything done or suffered to be done by the Issuer, the Fiscal Agent or the Borrower in accordance therewith.

SECTION 13. *Acquisition Fund.* There is hereby authorized and ordered to be established in the custody of the Fiscal Agent a separate trust fund designated the "Selfix Inc. Acquisition Fund (City of Chicago, Illinois)" (the "Acquisition Fund"). The Fiscal Agent shall promptly deposit the proceeds derived from the sale of the Series 1980 Bond into the Acquisition Fund. The Acquisition Fund shall be used for the purpose of providing moneys to pay the Cost of the Project, in the manner and as provided in Section 3.3 of the Loan Agreement. Any moneys not required for said purpose shall, when the Project is certified as having been completed as provided in Section 3.5 of the Loan Agreement, be applied by the Fiscal Agent in the manner provided in Section 3.3(k) of the Loan Agreement.

SECTION 14. *Investments.* As used herein, the term "Permitted Investments" shall mean those investments permitted by Section 3.8 of the Loan Agreement.

Moneys held in the Acquisition Fund or in any other trust fund established hereunder or pursuant hereto, upon instructions from the Authorized Borrower Representative, shall be invested by the Fiscal Agent in Permitted Investments. No investment shall be made pursuant to this Section for a period longer than the time period, determined by the Fiscal Agent, for which said moneys are not required for the purpose for which they are intended. All proceeds of, interest on and profit realized from Permitted Investments held in any trust fund shall accrue to and become a part of the appropriate trust fund, and any loss resulting from such Permitted Investments shall be charged to such trust fund and paid by the Borrower from its own funds on demand of the Fiscal Agent.

SECTION 15. *Application of the Acquisition Fund.* The Fiscal Agent is authorized and directed to apply the amounts on deposit in the Acquisition Fund to the payment or reimbursement of the Cost of the Project.

The Fiscal Agent is hereby authorized and directed to make payments and reimbursements from the Acquisition Fund upon a requisition submitted to the Fiscal Agent and signed by the Authorized Borrower Representative in conformance in all respects with the requirements contained in Section 3.3 of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Acquisition Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1980 Bond until completion of the Project, as such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement. As soon as is practicable, and in any event not more than sixty (60) days from the date of the certificate referred to in the preceding sentence, any balance remaining in the Acquisition Fund, other than the amounts retained by the Fiscal Agent for the Cost of the Project not then due and payable (said balance being referred to in the Loan Agreement as "Surplus Acquisition Fund Money"), shall be applied as provided in Section 3.3(k) of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The issuer covenants that it will promptly pay, or cause to be paid, the principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Acquisition Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amounts received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan of credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the principal of, Premium, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer covenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provide herein or therein.

(d) Any Net Proceeds of condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the termination of the Loan Agreement, or any other funds intended for the purpose of paying the principal of, Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the principal of, Redemption Premiums, if any, and Interest on Bonds then subject to the prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to repay principal on the Bonds over and above the principal required to be paid on an annual basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of this Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement or the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and

deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement. The Borrower will also pay, or cause to be paid, as provided in the Loan Agreement, all lawful taxes, assessments and charges at any time levied or assessed upon or against the Project, or any part thereof, failure to pay which might impair or prejudice the lien and priority of the Instruments; provided, however, that nothing contained herein shall require the payment of any such taxes, assessments or charges if the same are not required to be paid under the provisions of the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend to the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be affected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be, and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 28 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or principal which has not been paid according to the terms of said Bonds. The Owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default", shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the Owners of a majority in agreement principal amount of the Bonds then Outstanding may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Additional Bonds shall be issued in such series and principal amounts, shall be dated, shall be numbered, shall bear interest at such rates, shall be subject to redemption at such times and prices, and shall mature in such years as the ordinance amendatory hereof, and supplemental hereto authorizing the issuance thereof shall fix and determine.

SECTION 34. *Delivery of Additional Bonds.* Upon the execution and delivery in each instance of an appropriate ordinance amendatory hereof and supplemental hereto, the Issuer shall issue, execute and deliver to the purchasers thereof such Additional Bonds as hereafter in this Section 34 provided. Prior to the delivery of any Additional Bonds, there shall be filed with the Fiscal Agent and the Owners of the Bonds:

(a) A valid and effective amendment to the Loan Agreement, pursuant to Section 3.2 thereof, providing for the inclusion within the Project of any real and personal properties (or interests therein) to be acquired by purchase or construction from the proceeds of the Additional Bonds, and providing for an increase in the obligations of the Borrower under Section 4.2 of the Loan Agreement.

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive

evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, Assignment and Fiscal Agent Agreement as executed.

SECTION 37. *Execution of Other Instruments and Certificates.* The Mayor and the City Clerk, for and on behalf of the Issuer, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Instruments by the parties thereto, the performance of all obligations of the Issuer under and pursuant to the Instruments, the execution and delivery of the Bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Bond Ordinance and the other Instruments. The Mayor and the City Clerk of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, refurbishing and equipping of the Project, and by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledge created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its covenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedness, or issue any evidences of indebtedness other than the Bonds herein authorized secured by a lien on or pledge of such revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and Interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto*, and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The Mortgage, or an appropriate summary thereof, shall be recorded in the real property records of Cook County, Illinois, and/or in such other office or offices as may be at the time provided by the laws of the State as the proper place or places for the recordation thereof. The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the personal property constituting a part of the Project, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. The Mortgage shall be re-recorded and re-indexed by the Borrower whenever, in the opinion of Independent Counsel, such action is necessary to preserve the lien hereof and thereof; and, in addition, such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details, of such filing, recording or other act, and specifying any re-recording or re-filing to be effected in the future with respect to the security interests required to be created hereby.

SECTION 42. *Taxes, Charges and Assessments.* Pursuant to Section 5.7 of the Loan Agreement, the Borrower has agreed to promptly pay, or to cause to be promptly paid, all lawful taxes, assessments, imposts and governmental charges at any time levied or assessed upon or against the Project, or any part thereof, which might impair or prejudice the lien and pledge created by the Instruments; provided, however, that nothing contained in this Section shall require there to be paid any such taxes, assessments, imposts or charges as long as the validity thereof is being contested in accordance with Section 5.8 of the Loan Agreement, in good faith and by appropriate legal proceedings; and provided further that such delay in payment shall not subject the Project or any part thereof to forfeiture or sale. Nothing contained herein or in the other Instruments shall be construed as exempting the property of the Borrower or any other Person from the application of the Issuer's power of eminent domain, prohibiting the application of any law or regulation, or obviating any obligation of the Borrower or any other Person to any lawful tax or special assessment.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an industrial development project within the meaning of the Ordinance.

Pursuant to Section 5.9 of the Loan Agreement, the Borrower has agreed to keep, or to cause to be kept, at all times while the Bonds are Outstanding, the Project insured against such risks as are customarily insured against by businesses of like size and type as the Borrower.

SECTION 44. *Rights Under Loan Agreement.* The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, as pledgees and assignees of certain revenues and receipts derived from the Loan Agreement under the Assignment, in their respective names or in the name of the Issuer, shall, subject to the provisions thereof, have the legal power to exercise all of the rights, powers and privileges of the Issuer under the Loan Agreement, including the right to enforce all of the obligations of the Borrower thereunder.

SECTION 45. *Provisions of this Bond Ordinance Separable.* The provisions of this Bond Ordinance are hereby declared to be separable; and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions hereof.
